1	Alex is about to lose forty thousand dollars.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green dollar bills, red for X-marks and losses, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. DARK CHARCOAL background (#1A1A1A). Single dramatic overhead spotlight on ALEX (red t-shirt, black spiky hair, transparent skull with pink brain). He stands frozen, staring into the void. A faint \$40,000 price tag hangs in the darkness. Brain villain in shadows behind him, watching with heavy-lidded smug eyes.	Medium shot, low angle, villain barely visible in shadow	Single overhead spotlight, everything else in darkness	Dread, inevitability, dramatic tension	Alex frozen, staring forward, brain visibly agitated inside skull	Slow push into Alex's face from darkness
2	He has had seven chances to stop.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green dollar bills, red for X-marks and losses, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. DARK CHARCOAL background (#1A1A1A). Seven small glowing EXIT signs arranged in an arc behind ALEX. Each sign is crossed out in red — he passed every one. Brain villain stands beside the crossed-out signs, arms folded, satisfied.	Wide shot, seven exit signs visible in darkness behind Alex	Exit signs glow faint red, Alex in center spotlight	Missed opportunities, entrapment	Alex looking forward, oblivious to exits behind him	Camera slowly pulls back to reveal all seven crossed-out exits

71	The cost is every dollar he did not make while waiting to get it back.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green dollar bills, red for X-marks and losses, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. The opportunity cost revealed: a growth chart showing what \$40,000 invested in a diversified index fund would have grown to over the same period — while Alex held the dead stock. The gap: larger than the original \$40,000 loss. Label: 'THE REAL COST: OPPORTUNITY LOST.'	Wide — opportunity cost chart, the real gap revealed	Green growth chart, Alex's holding period shown as flat red line	The true cost — bigger than the loss itself	Alex looking at the opportunity cost chart, understanding complete	Opportunity cost chart fills in, green line growing as red line stagnates
