THIS VIDEO HAS NO ALEX — do not draw the recurring main character. Recurring visual host: THE BRAIN VILLAIN appearing ISOLATED (no human body, no skull) — pink cartoon brain character (#E8A598), heavy-lidded eyes, slight smirk, small teeth, tiny arms — acting as the catalog's curator/dealer, presenting each bias like a product. Generic humans when a scene needs people: simple flat silhouette-style figures with minimal features, varied builds — never Alex. THIS VIDEO HAS NO ALEX — do not draw the recurring main character. Recurring visual host: THE BRAIN VILLAIN appearing ISOLATED (no human body, no skull) — pink cartoon brain character (#E8A598), heavy-lidded eyes, slight smirk, small teeth, tiny arms — acting as the catalog's curator/dealer, presenting each bias like a product.
