MARC: young man, same build, short black hair, plain GRAY t-shirt that NEVER changes across all years, calm neutral energy. Both age subtly across the video (slight posture/face maturity at years 10/15/20 — no beards unless specified). LEFT half of split-screens = LEO (warm tones), RIGHT half = MARC (cool neutral tones) — keep sides consistent in every split. Recurring motif: THE CURVE — a two-line wealth graph (Leo flat gray line, Marc green compounding curve) that grows through the video. Recurring motif: THE NAPKIN — a paper napkin with handwritten rule. Palette: green savings/growth · red loss · warm gold for Leo's lifestyle · white/clean backgrounds. 16:9, 1280x720. THE NAPKIN full-frame, now completely readable as clean iconography: rule 1 live-on-first-salary icon, rule 2 raise→vault arrow, rule 3 five-year upgrade dial.

BEAT 49 "Live on your first real salary. Bank every raise, automatically, the month it arrives."

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients. THIS VIDEO HAS NO ALEX AND NO BRAIN VILLAIN — two NEW recurring characters: LEO: young man, flat cartoon style, rounded head, brown swept hair, GREEN t-shirt in early years (upgrading to a navy blazer in later years as his lifestyle inflates), expressive, slightly flashy energy. MARC: young man, same build, short black hair, plain GRAY t-shirt that NEVER changes across all years, calm neutral energy. Both age subtly across the video (slight posture/face maturity at years 10/15/20 — no beards unless specified). Recurring motif: THE NAPKIN — a paper napkin with handwritten rule. Palette: green savings/growth · red loss · warm gold for Leo's lifestyle · white/clean backgrounds. 16:9, 1280x720. Icon sequence: salary ■1 framed on a wall like a fixed reference; every subsequent raise arrow auto-curving into a vault the moment it lands. Automatic, no hands.

BEAT 50 "Upgrade your life once every five years — on purpose, never by drift."

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients. Recurring motif: THE NAPKIN — a paper napkin with handwritten rule. Palette: green savings/growth · red loss · warm gold for Leo's lifestyle · white/clean backgrounds. 16:9, 1280x720. A lifestyle upgrade dial with 5-YEAR clicks — a hand turning it deliberately one notch, versus a ghost-hand drifting it constantly. On purpose vs by drift.

BEAT 51 "That's it. No stock picking. No side hustles. No four a.m. routines."

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients. Recurring motif: THE NAPKIN — a paper napkin with handwritten rule. Palette: green savings/growth · red loss · warm gold for Leo's lifestyle · white/clean backgrounds. 16:9, 1280x720. Three crossed-out icons: stock-picking chart, hustle-clock, 4AM alarm. White frame, red X each. The rule needs none of them.

BEAT 52 "The math does the heroics. Your only job is to not interrupt it."

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients. Recurring motif: THE NAPKIN — a paper napkin with handwritten rule. Palette: green savings/growth · red loss · warm gold for Leo's lifestyle · white/clean backgrounds. 16:9, 1280x720. The napkin folded into a paper crane lifting off — the math flies alone. Minimal poetic frame.

A brain icon leaning visibly toward Leo's glowing path on the fork diagram — pulled by a magnet labeled with a sparkle icon. Honest diagram, no shame framing.

BEAT 54 "A raise screams to be felt. New money reads as permission — and spending it is how your brain celebrates."

A raise notification bursting like a champagne bottle in hand — celebration physics. The feeling rendered literally.

BEAT 55 "An invisible account gives you nothing to show anyone. No photos. No applause. No proof you're winning."

Marc's vault on a stage with zero audience — empty chairs, no camera flashes. The invisibility of the right choice, staged theatrically.

BEAT 56 "Leo got twenty years of small, real pleasures. Marc got a number nobody ever saw."

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients. Split ledger of pleasures: Leo's side full of small warm moments (dinners, trips, toasts) — Marc's side a single quiet number. Both REAL. The honest trade.

BEAT 57 "That's the actual price of freedom: two decades of looking average."

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients. A price tag hanging on the concept: two decades rendered as 20 gray calendar-years, each stamped with a plain 'average-looking' face icon. The real cost of freedom.
