■■ HOOK ■■							
1	At some point in the last five years, you heard about something that felt like the financial opportunity of a lifetime.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, warm beige background. The main character sits on a sofa, phone in hand, scrolling. On the phone screen: a glowing news headline about a rising asset — partially visible. The brain inside the skull leans forward, eyes lighting up with recognition. Expression: the beginning of excitement.	Medium shot	Warm beige, soft ceiling spotlight	Intimate recognition — the viewer's own experience starting	Character on sofa with phone; news headline visible; brain leaning forward with interest	Static. Phone screen glow illuminates character's face slightly. 2s.
2	Maybe it was a stock. A cryptocurrency. A sector. A company everyone was suddenly talking about.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, white background. Four floating icons in a row inside a thought bubble: a stock ticker, a cryptocurrency coin, a sector chart, a company logo (generic). Each icon glows with a subtle golden light. Expression on character: recognition — one of these was theirs.	Wide shot	Flat, white	Universal recognition — viewer maps their own experience	Four investment type icons floating; each glowing; character recognizing	Static. Icons appear one by one; each pulses once. 3s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
3	You felt it. The pull.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up on the character's chest. A visual pull — a magnetic arrow pointing forward, toward the phone screen. The brain inside the skull has leaned so far forward it is nearly pressed against the inside of the glass. Bold diegetic label near the arrow: 'THE PULL.'	Close-up on character	Warm, slightly intensified	The feeling named — visceral and personal	Magnetic pull arrow toward phone; brain pressed against glass; THE PULL label	Animated. Arrow pulses gently forward. Brain leans further. 2s.
4	Something between excitement and urgency. A voice that said: if you don't move now, you will miss it.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Above the character, two intertwined signals: a green excitement spark and a red urgency flash — both active simultaneously. A small speech bubble from the brain: 'MOVE NOW OR MISS IT.' Expression on character: caught between the two signals.	Medium shot	Warm, dual-signal lighting	The FOMO mechanism introduced — excitement + urgency combined	Green excitement and red urgency signals; brain speech bubble MOVE NOW; character caught between	Animated. Two signals pulse alternately; speech bubble appears. 3s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
5	Some of you moved. Some of you watched it rise and wished you had.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide split. Left: a character figure that moved — small green position in a rising chart, expression satisfied. Right: a character figure that watched — same chart rising, no position held, expression of regret. Bold label between them: 'BOTH FELT THE SAME PULL.'	Wide split	Flat, white	Universal reach — both groups in the same trap	Mover with position vs watcher with regret; same chart rising; both felt pull	Static. Both figures visible; chart identical for both. 2s.
6	Either way, you felt it.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, direct address. The character faces camera. The brain inside the skull also faces camera — a rare moment of alignment. Expression: honest acknowledgment. Bold label: 'YOU FELT IT.' No judgment. Just recognition.	Medium shot, direct address	Flat, white	The acknowledgment — honest, not accusatory	Character and brain both facing camera; YOU FELT IT label; honest expression	Static. Both hold direct address. 2s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
7	That feeling has a name. It has a mechanism. And it has a beneficiary.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Three floating cards appear beside the character: 'A NAME,' 'A MECHANISM,' 'A BENEFICIARY.' Each card face down — about to be revealed. Expression on character: leaning forward. The brain villain in the corner watches with a knowing expression.	Wide shot	Flat, white	The thesis — three things will be revealed	Three face-down cards; character leaning forward; brain villain watching	Animated. Cards appear one by one face down; brain villain visible. 3s.
8	The beneficiary was never you.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. The BENEFICIARY card flips over — it shows a silhouetted suited figure, not the main character. The character reads it. Expression: the hook lands. Bold red label on the card: 'NOT YOU.' The brain villain in the corner nods slowly.	Wide shot	Flat, white, red label on card	The hook lands — betrayal established	Beneficiary card flips to show suited figure not character; NOT YOU label; brain villain nods	Animated. Card flips; red label appears; brain villain nods once. 3s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
9	October 1929. Boston.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A 1929 Boston street scene — flat cartoon style, warm sepia-adjacent tones. Period-appropriate storefronts, suited pedestrians, cobblestone street. A bold diegetic label on a storefront sign: 'OCTOBER 1929 · BOSTON.' The scene establishes a different era without photorealism.	Wide shot, period street scene	Warm sepia-adjacent tones, flat	Historical anchor — the story begins	1929 Boston street; period storefronts; suited pedestrians; date label on sign	Static. Period scene holds. Date label visible. 2s.
10	Joseph Kennedy — businessman, investor, one of the wealthiest men in America — is having his shoes shined.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. A well-dressed cartoon figure sits in a shoeshine chair — large, confident posture, three-piece suit, small round glasses. A bold label floats beside him: 'JOSEPH KENNEDY.' Beside it: small icons — dollar signs, briefcase, a small 'WEALTHIEST IN AMERICA' badge. A second, younger figure kneels at his feet with a shoeshine kit.	Medium shot	Warm, period tones	Kennedy introduced — wealth and status established	Kennedy in shoeshine chair with wealth indicators; shoeshine boy kneeling; labels	Static. Kennedy's posture communicates wealth and authority. 2s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
11	The shoeshine boy, while working, begins giving him stock tips.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The shoeshine boy looks up while polishing, a bright excited expression on his face. A speech bubble appears above him with small stock ticker symbols and an upward arrow: specific names barely readable. Kennedy's expression shifts — he is listening carefully, but his internal reaction is not yet visible.	Medium shot	Warm, period tones	The tip moment — the inciting incident	Shoeshine boy giving tips with speech bubble; Kennedy listening carefully; tickers in bubble	Static. Speech bubble with tickers visible; Kennedy expression attentive. 3s.
12	Which stocks to buy. Which sectors are moving. Which names everyone is talking about.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up on the speech bubble. Three items now clearly labeled: WHICH TO BUY (stock list), WHICH SECTORS (moving arrows), WHICH NAMES (bold type: 'EVERYONE IS TALKING ABOUT'). The last phrase is highlighted. The shoeshine boy is enthusiastic — he knows things.	Close-up on speech bubble	Warm	The content of the tip — the key phrase is 'everyone is talking about'	Speech bubble with three tip categories; EVERYONE IS TALKING ABOUT highlighted	Static. Speech bubble content visible; last phrase highlighted. 2s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
13	Kennedy listened.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up on Kennedy's face. His expression is carefully neutral. Behind his eyes — visible through a small thought window — the brain is calculating, not excited. While the shoeshine boy speaks, Kennedy's brain is running a very different analysis than the boy expects.	Close-up on Kennedy	Warm	The calculation begins — Kennedy processes differently	Kennedy's neutral expression; thought window showing calculating brain; different analysis	Static. Kennedy's neutral face holds. Calculating brain visible. 2s.
14	He said nothing.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Kennedy's speech bubble is empty — deliberately blank. The shoeshine boy is still talking. Kennedy offers no reaction. Bold label beside the empty speech bubble: 'NOTHING.' The silence is loaded.	Medium shot	Warm	The silence — loaded with meaning	Kennedy with empty speech bubble; shoeshine boy still talking; NOTHING label	Static. Empty speech bubble holds. Contrast with boy's full bubble. 2s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
15	He walked back to his office and sold everything he owned in the stock market.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Kennedy walks away from the shoeshine stand toward a large office building. As he walks, a series of SELL orders flies out of his briefcase — small papers, each labeled SOLD. By the time he reaches the office door, the papers trail behind him like a paper stream. Bold label: 'SOLD EVERYTHING.'	Wide shot	Flat, warm	The decision — immediate and complete	Kennedy walking to office; SOLD order papers trailing behind him; SOLD EVERYTHING label	Animated. Papers fly out of briefcase as he walks; trail behind. 3s.
16	Every position. Every holding. Complete liquidation.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. A portfolio dashboard — all positions visible, one by one going to zero and turning gray. COMPLETE LIQUIDATION label appears across the portfolio when the last position closes. The dashboard is empty. Kennedy stands beside it, calm.	Wide diagram	Flat, white	The scale — total exit, nothing held	Portfolio positions closing to zero one by one; COMPLETE LIQUIDATION label; Kennedy calm	Animated. Positions close in sequence; each turns gray; final label appears. 3s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
17	Three weeks later, the market collapsed.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A large stock chart — warm, period style. The line rises to a peak, then in three calendar weeks it drops sharply. A bold label at the drop: 'THREE WEEKS LATER.' The chart crash is dramatic and visual. Small figures of investors falling with it.	Wide shot, chart	Flat, warm to dark	The collapse — the stakes of Kennedy's decision	Stock chart rising then crashing; THREE WEEKS LATER label; investor figures falling	Animated. Chart line rises then drops sharply. Investor figures fall. 3s.
18	Black Thursday. Black Monday. The beginning of the Great Depression.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Three bold labels in sequence: BLACK THURSDAY, BLACK MONDAY, THE GREAT DEPRESSION BEGINS. Each appears against a darkening background. Newspaper front pages floating — headlines of the crash. Period storefronts now have CLOSED signs. The warm sepia tones have shifted to gray.	Wide shot	Gradually darkening, gray tones	The historical weight — the crash was civilizational	Three bold date labels; newspaper headlines; CLOSED storefronts; world going gray	Animated. Labels appear in sequence; background darkens progressively. 3s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
19	While thousands of investors — many of them far more sophisticated than a shoeshine boy's clients — lost everything, Kennedy's fortune was intact.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide split. Left: a crowd of suited investor figures — portfolios empty, expressions devastated, buildings behind them closing. Right: Kennedy stands alone, fortune intact, same calm expression. A bold comparison label: 'SOPHISTICATED INVESTORS: LOST EVERYTHING. KENNEDY: INTACT.' The irony is the visual.	Wide split	Left gray, right warm	The contrast — sophistication did not protect them	Sophisticated investors ruined vs Kennedy intact; comparison label; irony visible	Static. Split holds. Contrast clear. 3s.
20	He was asked, later, what made him sell.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Kennedy sits across a table from a journalist figure — notepad, press badge. The journalist's speech bubble: 'WHAT MADE YOU SELL?' Kennedy's expression: almost amused. The answer is simpler than anyone expected.	Medium shot	Warm	The question — the journalist stands in for the viewer	Kennedy across table from journalist; question in speech bubble; Kennedy slightly amused	Static. Scene holds; journalist leaning forward. 2s.

21	His answer was simple.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up on Kennedy. His expression settles — not smug, just clear. A single speech bubble begins to form above him, not yet complete. The simplicity is the point. The viewer leans forward.	Close-up on Kennedy	Warm, soft spotlight	The reveal incoming — simple answer to the biggest question	Kennedy's clear expression; speech bubble forming; simplicity building	Static. Speech bubble forming slowly. 2s.
22	When the shoeshine boy knows which stocks to buy, it is too late to be in the market.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Kennedy's speech bubble now full and prominent: 'WHEN THE SHOESHINE BOY KNOWS WHICH STOCKS TO BUY, IT IS TOO LATE TO BE IN THE MARKET.' The shoeshine boy stands beside Kennedy — now a symbol, not just a character. Bold diegetic text. The viewer reads it twice.	Wide shot	Warm, speech bubble prominent	The Kennedy rule — the central insight of the video	Kennedy's full speech bubble with the rule; shoeshine boy as symbol beside him	Static. Full speech bubble holds. Viewer reads it. 4s.

23	Kennedy had no name for what he understood.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot on Kennedy. Above his head: a thought bubble — but instead of a label or formula, it contains a blank page. He understood the pattern without having the vocabulary for it. Expression: clarity without theory. Bold label: 'NO NAME FOR IT YET.'	Medium shot	Warm	The historical gap — insight before science	Kennedy with blank thought bubble; understood without the name; NO NAME YET label	Static. Blank thought bubble holds. 2s.
24	The name came decades later.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A timeline appears: 1929 (Kennedy's shoeshine moment) on the left, connected by a long dotted line to the right side — a university setting, researchers, a textbook cover barely visible. Bold label at the right end: 'DECADES LATER.' The insight waited for the science to catch up.	Wide shot, timeline	Flat, white	The bridge — from 1929 to the science	Timeline from 1929 to decades later; Kennedy on left; research on right	Static. Timeline holds; dotted line connects both points. 2s.

■■ WHAT KENNEDY UNDERSTOOD ■■

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
25	Here is what Kennedy saw that morning.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The character faces camera — in the present, not 1929. The brain inside the skull shifts to an analytical, focused expression. Clean white background. The shoeshine scene is now in a small thought bubble beside the character — the story being decoded.	Medium shot, direct address	Flat, white	The analysis begins — Kennedy's insight decoded	Character facing camera; shoeshine scene in small thought bubble; brain analytical	Static. Character holds direct address; thought bubble visible. 2s.
26	Information about an investment travels in a specific order.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. A horizontal flow: a single investment icon at the left, with a series of arrows pointing right through different groups. The groups are not yet labeled — just the directional flow established. Bold label: 'TRAVELS IN ORDER.'	Wide diagram	Flat, white	The framework introduced — information has direction	Horizontal flow diagram; investment icon; groups not yet labeled; order established	Static. Flow direction clear. Groups empty for now. 2s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
27	First: the people closest to the asset. The founders, the early backers, the insiders.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up on first group in the flow. Small figures: a founder with a lightbulb, an early backer with a small check, an insider with a key. Bold label: 'STAGE 1: INSIDERS.' Price chart beside them shows price near the bottom. They are in early.	Close-up on stage 1	Flat, white, stage 1 highlighted	The first group — they know first, buy early	Founder, backer, insider figures; STAGE 1 label; low price chart beside them	Static. Stage 1 highlighted; low price visible. 2s.
28	Then: institutional investors. The funds, the banks, the professional money.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up on second group. Larger figures: fund building, bank logo, professional investor with briefcase. Bold label: 'STAGE 2: INSTITUTIONS.' Price chart beside them shows price rising — already up from stage 1.	Close-up on stage 2	Flat, white, stage 2 highlighted	The second group — institutions arrive, price rises	Fund, bank, professional figures; STAGE 2 label; rising price chart	Static. Stage 2 highlighted; price visibly higher than stage 1. 2s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
29	Then: financial media. The stories appear. The coverage builds.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up on third group. News camera, newspaper front page, broadcast microphone icons. Bold label: 'STAGE 3: MEDIA.' Price chart beside them shows price significantly higher — the narrative is now being broadcast. Coverage icons multiplying.	Close-up on stage 3	Flat, white, stage 3 highlighted	The third group — media amplifies, price higher still	News camera, newspaper, microphone icons; STAGE 3 label; higher price chart	Static. Stage 3 highlighted; price significantly higher. 2s.
30	Then: mainstream culture. The dinner table. The taxi driver. The shoeshine boy.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up on fourth group. Three icons: a dinner table with talking figures, a taxi with a driver, the shoeshine boy from 1929. Bold label: 'STAGE 4: EVERYONE.' Price chart beside them shows price at the top — the peak.	Close-up on stage 4	Flat, white, stage 4 highlighted	The fourth group — retail arrives at the top	Dinner table, taxi driver, shoeshine boy icons; STAGE 4 label; price at peak	Static. Stage 4 highlighted; price at maximum. 3s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
31	By the time information reaches the last group — the group furthest from the source — the first group has been holding for months.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram showing all four stages. A timeline above the stages shows how long each group has been holding. Stage 1: MONTHS. Stage 2: WEEKS. Stage 3: DAYS. Stage 4: TODAY. The holding time differential is the point. Bold label: 'STAGE 1 HAS BEEN HOLDING FOR MONTHS.'	Wide diagram, all four stages	Flat, white	The time differential — stage 1 has been waiting	All four stages with holding time differential above; stage 1 months vs stage 4 today	Static. Timeline above stages shows differential. 3s.
32	The first group needs to sell.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up on stage 1 figures. They now hold SELL signs — not aggressive, just ready. They have been waiting. Their price chart shows the current peak. Bold label above them: 'NEED TO SELL.' They are not villains — they are rational. They just knew first.	Close-up on stage 1	Flat, white	The stage 1 incentive — they need an exit	Stage 1 figures holding sell signs; peak price chart; NEED TO SELL label	Static. Sell signs held; price at peak. 2s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
33	To sell, they need buyers.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. A simple supply-demand visual: SELLERS (stage 1, left) need BUYERS (right side, empty). An arrow from sellers to an empty space labeled: 'NEED: BUYERS.' The empty space is waiting to be filled.	Wide diagram	Flat, white	The market mechanic — sellers need buyers	Stage 1 sellers need buyers; empty buyer space; supply-demand dynamic	Static. Empty buyer space prominent. 2s.
34	The buyers are the people who just found out.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. The empty buyer space fills in — with the stage 4 figures: dinner table, taxi driver, shoeshine boy. They walk in from the right, money in hand, excited. Bold label: 'THE BUYERS: STAGE 4.' The circle closes.	Wide diagram	Flat, white	The circuit completed — stage 4 is the exit liquidity	Stage 4 figures filling buyer space; money in hand; THE BUYERS label	Animated. Stage 4 figures walk in to fill buyer space. 3s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
35	Kennedy was not smarter than the market.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Kennedy figure beside a brain icon — his brain is the same size as a normal brain. No special intelligence indicated. Bold label: 'NOT SMARTER.' The reframe: his edge was not IQ.	Medium shot	Flat, white	The reframe — intelligence was not the advantage	Kennedy with normal-sized brain; NOT SMARTER label; IQ not the variable	Static. Normal brain size. Label clear. 2s.
36	He understood something simpler: by the time you hear about it at the shoeshine stand, the people who knew first have been waiting for you.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Kennedy stands at the shoeshine stand again — but now the diagram from above is visible behind him: the four stages, the time differential, stage 1 waiting with sell signs. He sees the whole system. Bold label: 'THEY HAVE BEEN WAITING FOR YOU.' The shoeshine boy is stage 4. Kennedy refused to be stage 4.	Wide shot	Flat, warm	The complete insight — Kennedy saw the whole system	Kennedy at shoeshine stand with full system diagram behind him; WAITING FOR YOU label	Static. System diagram visible behind Kennedy; his understanding complete. 3s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
37	Here is what is happening inside your brain.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The main character faces camera. The brain inside the skull shifts to a focused, analytical expression — ready to explain. Clean white background. The shoeshine story is behind us; the mechanism is now.	Medium shot, direct address	Flat, white	The mechanism section begins — analytical pivot	Character and brain both analytical; facing camera; mechanism incoming	Static. Brain shifts to focused expression. 2s.
38	Your brain does not calculate probability mathematically.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. A mathematical probability formula (simple Bayesian-style) with a bold red X through it. Beside it: the brain figure with arms crossed — not using this method. Bold label: 'NOT MATHEMATICALLY.'	Wide diagram	Flat, white, red X on formula	The false assumption corrected	Math formula with red X; brain not using it; NOT MATHEMATICALLY label	Static. Red X on formula; brain turned away from it. 2s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
39	It estimates probability by how easily it can recall examples.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. Instead of a formula, the brain holds a simple stack of memory cards — each card is a recalled example. The more cards, the higher the estimated probability. Bold label: 'ESTIMATES BY RECALL.' Simple, visual, clear.	Wide diagram	Flat, white	The actual mechanism — recall as probability proxy	Brain holding memory card stack; more cards = higher probability estimate; label	Animated. Cards stack up; probability bar rises with each card. 3s.
40	When something is in every conversation, every feed, every headline — your brain registers: this is everywhere. This must be important. This must be working.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. The main character is surrounded by media inputs: phone screen, laptop, TV, friend talking, newspaper. All showing the same asset. Above the character's head: the memory card stack is overflowing. The brain registers: EVERYWHERE = IMPORTANT = WORKING. Three automatic conclusions in sequence.	Wide shot, surrounded by media	Flat, white, inputs from all sides	The availability flood — ubiquity creates false certainty	Character surrounded by media all showing same asset; memory stack overflowing; three auto-conclusions	Animated. Inputs arrive from all sides; memory stack grows; three conclusions pop up. 3s.

71	When information is everywhere, the brain of a portfolio manager and the brain of a first-time investor run the same calculation.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A portfolio manager and a first-time investor side by side — both surrounded by the same media flood. Above both heads: identical availability stacks, identical OPPORTUNITY signals. Bold label: 'IDENTICAL CALCULATION.'	Wide shot	Flat, white, media flood from all sides	The equality of the heuristic — same flood, same output	Portfolio manager and first-time investor; identical availability stacks; identical signals	Static. Both figures with identical brain outputs. 3s.
72	The feeling of certainty that comes from ubiquitous information is neurologically indistinguishable from the feeling of certainty that comes from good analysis.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide split diagram. Left: CERTAINTY FROM COVERAGE — brain flooded with media, certainty meter high. Right: CERTAINTY FROM ANALYSIS — brain working through data, certainty meter equally high. Both meters identical. Bold label: 'NEUROLOGICALLY INDISTINGUISHABLE.'	Wide split diagram	Flat, white	The neurological truth — certainty feels identical from both sources	Coverage certainty vs analysis certainty; identical meters; indistinguishable label	Static. Both certainty meters at same level. 3s.

75	Financial media does not make money from your returns.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A financial media building — sleek, modern. Inside: screens showing markets, anchors, tickers. A profit meter on the side: pointing away from YOUR RETURNS (flat line) toward ATTENTION (rising line). Bold label: 'NOT FROM YOUR RETURNS.'	Wide shot, media building	Flat, white	The incentive misalignment stated	Financial media building; profit meter pointing to attention not returns; label	Static. Profit meter direction prominent. 2s.
76	It makes money from your attention.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Same wide shot. The attention meter now highlighted — rising, prominent. Small eye icons flowing from viewer figures into the media building. A dollar sign at the attention meter's peak. Bold label: 'FROM YOUR ATTENTION.'	Wide shot	Flat, white, attention meter highlighted	The actual profit mechanism — attention economy	Attention meter rising; eye icons flowing to media building; dollar sign at peak	Animated. Attention meter rises; eyes flow in. 2s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
77	Attention is maximised by urgency. By excitement. By the feeling that something important is happening right now.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. Three attention maximizers floating: URGENCY (red clock icon), EXCITEMENT (green spark), SOMETHING IMPORTANT RIGHT NOW (bold exclamation). Each feeds into the attention meter. Bold label: 'ATTENTION MAXIMIZERS.'	Wide diagram	Flat, white	The tools — urgency and excitement drive attention	Three attention maximizers feeding attention meter; MAXIMIZERS label	Static. Three tools feeding meter. 3s.
78	The content that generates the most engagement is the content about things that are moving.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A content engagement chart — two types of content: MOVING ASSETS (high engagement bar) vs STABLE ASSETS (low engagement bar). The gap is significant. Bold label: 'MOVING = ENGAGEMENT.'	Wide chart shot	Flat, white	The content selection bias — movement drives engagement	Engagement chart; moving assets bar much higher than stable; MOVING = ENGAGEMENT label	Animated. Both bars appear; moving bar clearly dominant. 2s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
79	Things that are moving are things already in motion.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. A price chart with a coverage arrow tracking below it. By the time the coverage arrow is high, the price chart has already been moving for months. Bold label: 'ALREADY IN MOTION.' Coverage lags price. When you see coverage, the motion started without you.	Wide diagram	Flat, white	The lag — coverage tracks movement that already happened	Price chart with coverage arrow lagging below; ALREADY IN MOTION label	Static. Coverage lag clearly visible below price. 2s.
80	Things already in motion are things you are already late to.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. The main character running toward a moving train. The train is the asset in motion. The character is running to catch it — but the train is already at speed. A small label on the last car: 'ALREADY LATE.' The character may catch it — but will be in the last car.	Wide shot	Flat, white	The lateness — coverage means you're chasing motion	Character running toward already-moving train; ALREADY LATE label on last car	Animated. Train moves; character runs but is behind. 2s.

97	It stops being a story about opportunity.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. The OPPORTUNITY label on the narrative — crossed out with a slow, deliberate red X. Bold label: 'NO LONGER OPPORTUNITY.' The story has not changed. Its function has.	Wide shot	Flat, white, red X on opportunity	The function end — opportunity label removed	OPPORTUNITY label crossed out deliberately; NO LONGER label; story unchanged but function different	Animated. Red X crosses out OPPORTUNITY slowly. 2s.
98	It becomes a mechanism of exit.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Same wide shot. Where OPPORTUNITY was: now EXIT MECHANISM appears. The narrative is the same. The exits are the same. The mechanism has simply revealed itself. Bold label: 'EXIT MECHANISM.' The brain villain in the corner nods — this is what it always was.	Wide shot	Flat, white	The function revealed — it was always an exit mechanism	EXIT MECHANISM label replacing opportunity; brain villain nods; always was this	Static. EXIT MECHANISM label prominent. Brain villain visible. 3s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
99	You were not late.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, direct address. The character faces camera. Expression: the relief of reframing. Bold label: 'NOT LATE.' Not a failure of speed or intelligence. Something else was happening.	Medium shot, direct address	Flat, white	The reframe — lateness was not the problem	Character facing camera; NOT LATE label; relief expression	Static. Character holds direct address. 2s.
100	You were targeted.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. The character standing in the center of a targeting circle — four concentric rings, with the character at the bulls-eye. Around the targeting circle: the four-stage flow, the media machine, the availability heuristic mechanism. All of it pointing at the character. Bold label: 'TARGETED.' Expression: not defeat — understanding.	Wide shot, targeting circle	Flat, white	The closing reframe — targeted, not late	Character at targeting bulls-eye; entire system pointing inward; TARGETED label	Static. Targeting circle holds; system visible around it. 3s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
101	Here is what you do with this.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The character turns to camera — practical, focused, ready. The brain shifts from its usual expression to a clear, action-oriented one. The shoeshine stand is visible in the background — a reminder. Bold label: 'THE MOVE.' Clean white background.	Medium shot, direct address	Flat, white, single spotlight	The transition into action	Character turns to camera; brain action-oriented; shoeshine stand in background	Static. Character holds direct address; THE MOVE label. 2s.
102	Before you buy anything you first heard about in the last thirty days — from news, from social media, from any conversation — ask one question: when did the early money go in? Search the price chart for the twelve months before the coverage you are seeing now. If prices were already up significantly before the story reached you, you are standing at the shoeshine stand.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Character at laptop with a price chart open — twelve months of history visible. A marker on the chart: WHEN EARLY MONEY ENTERED (far left, low price). A second marker: WHEN YOU HEARD ABOUT IT (far right, high price). Bold label: 'CHECK THE CHART BEFORE YOU BUY.' The gap between the two markers is the warning.	Wide shot	Flat, warm, chart visible	The first action — price history check	Character at laptop; chart with early money vs heard-about markers; CHECK BEFORE BUY label	Animated. Two markers appear on chart; gap visible between them. 3s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
103	Set a rule: minimum seventy-two hours between first hearing about an investment and making any decision. That window is where your prefrontal cortex catches up to the availability signal your brain has already processed as certainty.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A timer appears: 72 HOURS. Below it: a brain with two zones — AVAILABILITY SIGNAL (fired immediately, red zone) and PREFRONTAL CORTEX ANALYSIS (active after 72 hours, green zone). The timer is the gap between them. Bold label: '72 HOUR RULE.'	Wide shot	Flat, white, timer prominent	The second action — 72-hour rule	72-hour timer; brain showing availability signal vs prefrontal analysis zones; rule label	Animated. Timer counts down; green zone activates at zero. 3s.
104	Use coverage volume as a contrarian signal. The investment nobody in your network is discussing is not the one with no future. It is the one where the narrative has not yet finished travelling. You are closer to the beginning, not the end.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide split diagram. Left: HIGH COVERAGE — stage 4, near the end. Right: LOW COVERAGE — stage 1 or 2, near the beginning. A bold label on the left: 'NEAR THE END.' On the right: 'NEAR THE BEGINNING.' The contrarian read: less coverage = more runway.	Wide split diagram	Flat, white	The third action — coverage as contrarian indicator	High coverage = near end vs low coverage = near beginning; contrarian read labeled	Static. Both sides visible; contrarian labels clear. 3s.

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
105	Automate your core investment in a low-cost index fund so that every week you spend not chasing narratives, your money is already compounding in something no story can inflate or destroy.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. An automatic investment arrow flowing into an index fund icon — labeled LOW COST, DIVERSIFIED, AUTOMATED. In the background: narratives swirling (media flood, influencer content) — but the automated transfer is immune, running regardless. Bold label: 'AUTOMATED — NARRATIVE PROOF.'	Wide shot	Flat, white, automated arrow prominent	The fourth action — automated index investment	Automatic transfer to index fund; narrative swirl in background; AUTOMATED NARRATIVE PROOF label	Animated. Transfer arrow runs while narratives swirl around it; immune. 3s.
106	And find one financial media source you consume regularly and stop consuming it for thirty days. Not because it is lying. Because its incentive structure is not aligned with your portfolio. Every week without that input is a week your availability heuristic runs on less manufactured urgency.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. The character's media consumption — one source highlighted with a 30-day pause button. A graph showing: WITHOUT THAT SOURCE → AVAILABILITY HEURISTIC DECREASES → MANUFACTURED URGENCY DECREASES. Not censorship — recalibration. Bold label: '30 DAYS. RECALIBRATE.'	Wide shot	Flat, warm	The fifth action — media diet to recalibrate availability	One media source paused; availability heuristic decreasing without it; 30 DAYS label	Animated. Pause button pressed; availability meter gradually drops. 3s.
