VISUAL STYLE PROFILE (locked — embedded in every prompt for standalone use)

2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720.

STATES 8 & 9 — IMAGE PROMPTS + VIDEO PROMPTS

Every script segment covered. Each image prompt is fully standalone. Each beat = max 3–5 seconds of narration.

BEAT 1

"You didn't choose to buy it."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, white background. The main character stands facing camera, face neutral and unaware. Inside the transparent skull the pink villain brain points one small arm downward, issuing a silent command the character below doesn't notice.
Camera	Medium shot, centered
Lighting	Flat, white
Mood	Unsettling calm — controlled without knowing it
Action	Brain points downward smugly; character face blank
VIDEO PROMPT	Static shot. The brain slowly lowers its pointing arm and smirks. Character blinks once, oblivious. 2s subtle loop.

BEAT 2

"Your brain did. About 200 milliseconds before you even knew you wanted it."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up on the transparent skull only. The pink villain brain glows with a yellow electric halo, one arm raised in triumph. A small floating digital readout beside it reads '0.2s' in bold black.
Camera	Close-up on skull/brain
Lighting	Flat, yellow glow from brain
Mood	Revelation — the brain is faster than you
Action	Brain arm raised, electric glow pulsing, '0.2s' readout
VIDEO PROMPT	Static. Yellow halo pulses outward twice; the '0.2s' readout flickers in. Brain grins. 2s.

BEAT 3

"That's not a metaphor. That's a neuroscience study."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, white background. Character stands at a simple podium presenting a flat white document labeled 'NEUROSCIENCE STUDY' in bold black. The brain inside the skull waves smugly at camera.
Camera	Medium shot
Lighting	Flat, white
Mood	Dry, matter-of-fact with irony
Action	Character presents document; brain waves
VIDEO PROMPT	Static. Character lifts the document slightly; brain gives a small two-finger wave. 2s.

BEAT 4

"And it's the most expensive thing nobody ever taught you."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot of a simple flat classroom. Chalkboard lists MATH, HISTORY, SCIENCE, ENGLISH and one conspicuously empty slot with a faint un-filled dollar-sign-and-brain outline. Small cartoon students at desks, a teacher at front. Warm beige tones.
Camera	Wide establishing shot
Lighting	Flat, warm beige ambient
Mood	Irony absence — what's missing is loud
Action	Static scene; empty chalkboard slot visually emphasized
VIDEO PROMPT	Slow push-in toward the empty chalkboard slot; faint outline flickers. 3s.

BEAT 5

"Here's what actually happens when you tap 'buy now.'"

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of a beige cartoon hand hovering one frame above a flat smartphone showing a large green 'BUY NOW' button. A faint dotted arrow rises from the phone toward an off-frame skull. Dark background for contrast.
Camera	Close-up on hand and phone
Lighting	Flat, green button glow
Mood	Anticipation — the moment before the trigger
Action	Finger hovering, about to tap
VIDEO PROMPT	Static. The finger lowers a few pixels toward the button and holds; green button pulses once. 2s.

BEAT 6

"A region deep inside your brain called the nucleus accumbens fires a shot of dopamine"

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up flat cross-section of a pink cartoon brain on white. A central region labeled 'NUCLEUS ACCUMBENS' with a small arrow glows bright gold and emits tiny cartoon lightning bolts.
Camera	Close-up diagram
Lighting	Flat, gold glow on one region
Mood	Scientific, slightly ominous
Action	Lightning bolts radiating from the glowing region
VIDEO PROMPT	Static diagram. The labeled region pulses gold; three tiny lightning bolts flick outward in sequence. 3s.

BEAT 7

"— the same chemical released by cocaine, gambling, and sex."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide three-section split panel on white. Left: small white powder pile with a bold red X. Center: a slot machine showing three 7s with coins falling. Right: two floating cartoon hearts. All three connect downward by one arrow to a single bold label 'SAME CHEMICAL.'
Camera	Wide split panel
Lighting	Flat, white
Mood	Shocking equivalence
Action	Coins falling from slot machine; hearts drifting
VIDEO PROMPT	Static panels. Slot coins fall in a short loop; hearts bob; the 'SAME CHEMICAL' label flashes once. 3s.

BEAT 8

"Not after the package arrives. Not when you open it. The moment you decide to buy."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Horizontal three-step timeline on white. Step 1 'DECIDE' — hand tapping BUY NOW with a large gold star-burst. Step 2 'RECEIVE' — gray delivery box, no burst. Step 3 'OPEN' — character opening box, gray, no burst.
Camera	Wide timeline panel
Lighting	Flat, gold burst on step 1 only
Mood	Counterintuitive revelation
Action	Static timeline; emphasis on step 1 burst
VIDEO PROMPT	Static. The gold burst on 'DECIDE' expands and contracts once while steps 2 and 3 stay flat gray. 3s.

BEAT 9

"The anticipation is the high. The product is just the excuse."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide split panel. Left 'ANTICIPATION': character tapping phone, brain blazing gold, eyes wide, arms up. Right 'THE PRODUCT': same character holding an open box, expression flat, brain gray and dim.
Camera	Wide split panel
Lighting	Flat — gold left, gray-dim right
Mood	Melancholic irony
Action	Excitement vs. deflation contrast
VIDEO PROMPT	Static split. Left brain glows brighter; right brain dims further; character's right-side shoulders slump. 3s.

BEAT 10

"And the second it arrives, the dopamine is already gone."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, simple hallway interior. Character at an open door holding a cardboard box, expression flat. Brain inside skull gray and half-lidded. A faded yellow wisp floats up and away from the skull like dissipating smoke.
Camera	Medium shot in doorway
Lighting	Flat, faded yellow wisp rising
Mood	Emptiness after the high
Action	Yellow dopamine wisp floating away; flat expression
VIDEO PROMPT	Static. The yellow wisp drifts upward and fully dissolves; character's eyes lower slightly. 3s.

BEAT 11

"Which is exactly why you're already looking at the next thing."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, white background. Character holds the just-opened box loosely in one arm while the other hand already holds a phone; eyes locked on the screen; brain re-illuminated with fresh yellow glow. Box tilts, forgotten.
Camera	Medium shot
Lighting	Flat, fresh yellow glow returning
Mood	Compulsive loop restarting
Action	Eyes on phone, box neglected, brain glowing again
VIDEO PROMPT	Static. The box tilts a few degrees lower while the brain's yellow glow brightens. 2s loop.

BEAT 12

"Let's go back to 1954. Montreal."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide establishing shot of a simplified 1950s cityscape: flat rectangular buildings, vintage car silhouettes, muted gray-blue palette. Lower-left text card reads 'MONTREAL — 1954' in bold black. No characters.
Camera	Wide establishing shot, slight low angle
Lighting	Flat, cool gray-blue, overcast
Mood	Historical, clinical scene-set
Action	Static establishing shot
VIDEO PROMPT	Very slow push-in on the cityscape; the 'MONTREAL — 1954' card fades in. 3s.

BEAT 13

"Two neuroscientists named James Olds and Peter Milner are running an experiment on rats."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium-wide flat laboratory interior: counters, beakers, clipboards. Two small cartoon scientists in white coats and blue-tint glasses look down at a glass enclosure on a table containing a small cartoon rat. Warm lab light.
Camera	Medium-wide lab interior
Lighting	Flat, warm laboratory yellow-white
Mood	Clinical, slightly ominous
Action	Scientists observing the rat, clipboards in hand
VIDEO PROMPT	Static. One scientist makes a small note on the clipboard; the rat shifts inside the enclosure. 3s.

BEAT 14

"They implant tiny electrodes directly into the reward centers of rat brains."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up flat medical-diagram cross-section of a rat skull with a simplified brain inside. Two tiny electrode wires enter the center with small glowing gold tips. A label reads 'REWARD CENTER' with an arrow. White background.
Camera	Close-up diagram
Lighting	Flat, gold glow at electrode tips
Mood	Precise, invasive science
Action	Electrode tips glowing at the insertion point
VIDEO PROMPT	Static diagram. The two gold electrode tips pulse once in sync. 2s.

BEAT 15

"Then they give each rat a lever. Press the lever, get a dopamine hit. Direct. Instant."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, light gray background. A cartoon rat inside a simple glass box rests one paw on a small lever. Above its head a gold burst labeled 'DOPAMINE' in bold. Rat intensely focused.
Camera	Medium shot inside enclosure
Lighting	Flat, gold burst above rat
Mood	Deceptively clean cause-and-effect
Action	Paw presses lever; dopamine burst appears
VIDEO PROMPT	Static. The rat presses the lever; the gold 'DOPAMINE' burst pops and fades, then repeats. 2s loop.

BEAT 16

"No effort required. The rats stopped eating."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, light gray. The rat sits with its back to a full food bowl (faint gray X over it), facing the worn lever instead.
Camera	Medium shot
Lighting	Flat, neutral gray
Mood	Disturbing in its simplicity
Action	Rat faces lever; food bowl untouched
VIDEO PROMPT	Static. The rat's head turns briefly toward the bowl, then snaps back to the lever. 2s.

BEAT 17

"They stopped sleeping. They stopped doing anything except pressing the lever."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide interior of the glass enclosure. The worn lever is center frame; the rat presses it with both paws, eyes wide and compulsive. Untouched food, water bottle, and an empty nest sit in the corners.
Camera	Wide interior shot
Lighting	Flat, slightly cold gray
Mood	Obsession — everything else abandoned
Action	Rat gripping lever; all else untouched
VIDEO PROMPT	Static. The rat's paws pump the lever in a tight repetitive loop. 2s loop.

BEAT 18

"Over and over. Thousands of times per hour. Until some of them died."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Extreme close-up on the worn, slightly tilted lever. A counter above reads '4,847x' in bold. A small rat paw is visible at the bottom still pressing.
Camera	Extreme close-up on lever and counter
Lighting	Flat, white
Mood	Compulsive horror as a number
Action	Paw pressing; counter ticking
VIDEO PROMPT	Static. The counter number rapidly increments; the paw keeps pressing. 3s.

BEAT 19

"The scientists stood there watching, slowly realizing they hadn't just discovered something about rats."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot of the two scientists, clipboards now lowered to their sides, mouths slightly open, expressions shifted from clinical to alarmed. The rat enclosure is behind them.
Camera	Medium shot on scientists
Lighting	Flat, same warm lab light, shifted mood
Mood	Dawning realization
Action	Clipboards lowered; scientists frozen
VIDEO PROMPT	Static. One scientist's clipboard slips a little lower; both stare without moving. 3s.

BEAT 20

"They had found the override switch for any brain complex enough to want things."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide flat bedroom: bed, pillow, warm orange light from a window. The character lies in bed, eyes just opened, already holding a phone up to their face, feet still under the covers. Brain inside skull already glowing gold.
Camera	Wide bedroom shot
Lighting	Warm amber morning light from window
Mood	Automatic behavior before consciousness arrives
Action	Eyes open, phone already raised, brain glowing
VIDEO PROMPT	Static. The character's eyes open from shut to half; the phone screen flicks on; brain glows. 3s.

BEAT 24

"You open an app. The feed refreshes. New content loads. Your nucleus accumbens fires."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of a phone screen showing a flat feed of content cards, a spinning loader, then new cards. A gold beam shoots upward from the screen toward a partially visible skull at the top of frame. Dark background.
Camera	Close-up on phone, partial skull above
Lighting	Flat, gold beam from screen upward
Mood	Automated, effortless trigger
Action	Feed refreshing; gold beam firing upward
VIDEO PROMPT	Static. The loader spins, new cards snap in, and the gold beam flashes upward on each refresh. 3s loop.

BEAT 25

"You scroll to trigger it again. You weren't looking for anything specific. You were pressing the lever."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, gray background. Character seated, thumb scrolling a blurred fast-moving feed. The brain inside the skull flashes gold two or three times. Face blank and automatic.
Camera	Medium shot
Lighting	Flat, gold pulses with each scroll
Mood	Mindless loop — the 2025 lever
Action	Thumb scrolling; brain pulsing per scroll
VIDEO PROMPT	Static frame, thumb scrubs up repeatedly; brain flashes gold with each motion. 2s loop.

BEAT 26

"Then you see it. A product. A deal. A countdown timer."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide split panel on white. Left '0:40 AGO': character sitting calmly, no phone, empty thought bubble. Right 'NOW': same character leaning toward the phone, hand over the buy button, thought bubble filled with the product.
Camera	Wide split panel
Lighting	Flat, white
Mood	Speed of manufactured desire
Action	Empty thought bubble vs. product-filled bubble
VIDEO PROMPT	Static split. The right thought bubble fills in with the product image while the left stays empty. 3s.

BEAT 28

"Your brain doesn't consult your savings account. It doesn't ask whether you can afford it."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot on white. Three flat documents — a savings statement, a credit card statement, a budget sheet — lie face-down or X-marked, ignored. The villain brain stands to the side, back turned to all three, arms crossed.
Camera	Wide shot of documents and brain
Lighting	Flat, white
Mood	Willful ignorance by design
Action	Brain turned away; documents ignored
VIDEO PROMPT	Static. The brain flicks one dismissive arm without turning around; a document slides slightly. 2s.

BEAT 29

"It feels the anticipation of acquisition"

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The golden flood now overflows the skull and runs down the character's whole body as glowing gold lines. The small bespectacled 'prefrontal cortex' figure is swept off its feet by the flood inside the skull.
Camera	Medium shot
Lighting	Flat, gold flood lines down body
Mood	Reason overwhelmed by chemistry
Action	Flood overflowing; rational figure swept away
VIDEO PROMPT	Static. Gold lines stream down the body; the tiny prefrontal figure tumbles in the flood. 3s.

BEAT 31

"And you tap buy now."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide split panel on white. Left: a small wilted sad figure labeled 'WEAKNESS?' with a bold red X over the label. Right: the same character standing upright, neutral, labeled 'NOT THE CAUSE' in clean black.
Camera	Wide split panel
Lighting	Flat, white
Mood	Reframing — removing self-blame
Action	Static contrast panels
VIDEO PROMPT	Static. The red X strikes through 'WEAKNESS?'; the right figure straightens posture slightly. 2s.

BEAT 33

"This is the most sophisticated consumer psychology operation in human history working exactly as designed."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide flat control room: walls of screens showing graphs, heat maps, behavior data. Small villain-brain figures in lab coats work the panels. A central screen shows the character's silhouette tagged with behavioral-trigger arrows. Cool blue-gray.
Camera	Wide establishing shot
Lighting	Flat, blue-gray ambient, screens glow
Mood	Scale of the operation — vast, deliberate
Action	Brain operators at panels; data on screens
VIDEO PROMPT	Static. Graphs on the screens animate subtly; one brain operator turns a dial. 3s.

BEAT 34

"On you. Every single day."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of the main character's neutral face; behind them a vast flat grid of hundreds of identical character silhouettes receding into the distance. A small red arrow above the front character reads 'YOU.'
Camera	Close-up character, wide grid behind
Lighting	Flat, gray
Mood	Scale of targeting — singled out in a crowd
Action	'YOU' arrow points; identical grid behind
VIDEO PROMPT	Static. The 'YOU' arrow bounces once; the grid behind shifts a hair to feel endless. 2s.

BEAT 35

"Meet two people. Same income. Same city. Same year."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide perfectly symmetrical split panel on white. Left: a female cartoon character (Dana) in the channel's style. Right: a male character (Marcus), mirrored, identical apartment backgrounds. Centered labels: 'SAME INCOME / SAME CITY / SAME YEAR.'
Camera	Wide symmetrical split panel
Lighting	Flat, white
Mood	Setup — equality before divergence
Action	Static symmetrical positioning
VIDEO PROMPT	Static. The three centered labels fade in one by one. 3s.

BEAT 36

"The first one, call her Dana, grew up watching her parents check price tags."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot of a simple flat dining table, family of three seated, food on table. A speech bubble from a parent reads 'BUDGET' in bold black. Young Dana listens. Warm amber dining room.
Camera	Medium shot of table scene
Lighting	Flat, warm amber
Mood	Normalization of money awareness
Action	Speech bubble visible; family seated
VIDEO PROMPT	Static. The 'BUDGET' speech bubble pops in; young Dana's head turns toward the parent. 2s.

BEAT 38

"She learned early that money required decisions, and decisions required a pause."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, white background. Teen Dana holds a product in one hand, a wallet in the other; a large pause symbol (two vertical bars) floats between them. Thoughtful, not anxious. Her brain inside the skull looks calm, not villainous.
Camera	Medium shot
Lighting	Flat, white
Mood	Practiced pause — healthy friction as habit
Action	Pause symbol floating between product and wallet
VIDEO PROMPT	Static. The pause symbol gently pulses; Dana's eyes move from product to wallet. 2s.

BEAT 39

"She's never carried a credit card balance she couldn't pay in full at month's end."

Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot of young Marcus surrounded by floating cartoon icons: a '1-CLICK' button, three notification bells with red dots, a small predictive algorithm chart. Slightly overwhelmed, eyes wide. Brain shows an early villain glow.
Camera	Medium shot, icons surrounding subject
Lighting	Flat, faint red glow on notification icons
Mood	Born into the system
Action	Icons orbiting Marcus; algorithm arrow ahead of him
VIDEO PROMPT	Static. The icons slowly orbit Marcus; the algorithm arrow inches ahead of him. 3s loop.

BEAT 43

"push notifications, and algorithms that learned his preferences faster than he did."

"They built a machine calibrated to his specific psychology, and they run it twenty-four hours a day."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram shot, gray background. Marcus small at center, ringed by phone, laptop, smartwatch, and tablet — each with a tiny villain-brain icon on screen, all pointing arrows inward at him. A clock above reads '24:00.'
Camera	Wide overhead-perspective diagram
Lighting	Flat, gray, faint device screen glow
Mood	Total encirclement — no escape
Action	Devices all aimed inward at Marcus
VIDEO PROMPT	Static. The inward arrows pulse in sequence around the ring; the clock hand sweeps. 3s loop.

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium interior shot, warm beige, ceiling spotlight. A villain brain sits at a corporate desk, feet up, smug. Desk nameplate: 'KEEP THEM WANTING.' Framed wall chart shows a desire line that rises forever, never plateauing.
Camera	Medium interior shot
Lighting	Warm beige, ceiling spotlight on desk
Mood	Corporate deliberateness
Action	Brain relaxed at desk; ever-rising chart
VIDEO PROMPT	Static. The brain leans back further; the wall chart's line creeps upward. 3s.

Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, warm neutral background. Character holds a just-arrived box; the brain's gold glow visibly dissipates as yellow wisps float up and away. Flat, slightly blank expression.
Camera	Medium shot
Lighting	Flat, warm neutral, fading gold wisps
Mood	Post-purchase anti-climax
Action	Dopamine wisps rising; expression deflating
VIDEO PROMPT	Static. The gold wisps drift up and dissolve; the character's eyes lower. 3s.

BEAT 77

Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide bird's-eye shot: the character small inside a vast flat maze shaped like a shopping bag; a glowing 'SHOPPING' sign marks the only entrance. The character wanders the dead-end interior, lost.
Camera	Wide bird's-eye shot
Lighting	Flat, cool gray, glowing entrance sign
Mood	The search was rigged from the start
Action	Character lost inside a purpose-built maze
VIDEO PROMPT	Static. The character walks a few steps into a dead end and stops; the 'SHOPPING' sign pulses. 3s.

BEAT 81

"The neuroscientist Kent Berridge ran experiments in the 1990s that quietly broke the model everyone was using."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium-wide flat 1990s laboratory: boxy computer, clipboards. A calm scientist figure (glasses, white coat) studies a rat enclosure on a table. A wall calendar reads '1990s.' Warm lab light.
Camera	Medium-wide lab interior
Lighting	Flat, warm lab light
Mood	Quiet, paradigm-breaking science
Action	Scientist studying the enclosure
VIDEO PROMPT	Static. The scientist leans in and makes a note; the rat shifts in the enclosure. 3s.

BEAT 82

"He found a way to block dopamine in rats completely without touching their capacity for pleasure."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up flat diagram of a rat brain: the dopamine pathway shown as a gold line with a bold black 'BLOCKED' barrier across it, while a separate small 'PLEASURE' region still glows soft warm. White background.
Camera	Close-up diagram
Lighting	Flat, white, gold line blocked / soft pleasure glow
Mood	Two systems cleanly separated
Action	Dopamine path blocked; pleasure region intact
VIDEO PROMPT	Static. The 'BLOCKED' barrier snaps onto the gold path; the pleasure region keeps a soft glow. 2s.

BEAT 83

"The dopamine-free rats still showed enjoyment responses when food touched their mouths."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, light background. A cartoon rat with a small content smile as a food morsel touches its mouth; a tiny soft warm glow at the cheeks. No gold dopamine burst anywhere.
Camera	Medium shot
Lighting	Flat, soft warm cheek glow, no gold
Mood	Pleasure intact without wanting
Action	Rat showing contentment, no dopamine burst
VIDEO PROMPT	Static. The rat's cheeks glow softly and it gives a small satisfied wiggle. 2s.

BEAT 84

"They could still feel good. They just stopped wanting."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Split panel. Left: the content rat with a soft warm glow, label 'STILL LIKES.' Right: the same rat lying still beside an untouched lever, label 'STOPPED WANTING.' Neutral background.
Camera	Wide split panel
Lighting	Flat, soft glow left / flat right
Mood	Liking without wanting
Action	Content rat vs. motionless rat
VIDEO PROMPT	Static. Left rat keeps its soft glow; right rat lies still as the lever sits ignored. 2s.

BEAT 85

"They stopped seeking. They lay still and waited."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, muted neutral background. The rat lies flat and calm in the center of the enclosure, eyes half-closed, the lever and food both within reach but untouched. Stillness emphasized.
Camera	Medium shot
Lighting	Flat, muted neutral
Mood	Inert calm — drive switched off
Action	Rat motionless; resources ignored
VIDEO PROMPT	Static. The rat's chest rises and falls slowly; nothing else moves. 2s.

BEAT 86

"Then he reversed it. He amplified the dopamine signal without increasing pleasure."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up diagram of the rat brain: the gold dopamine path now thick, oversized, and blazing bright; the separate 'PLEASURE' region unchanged, still only a soft small glow. White background.
Camera	Close-up diagram
Lighting	Flat, white, oversized blazing gold path
Mood	Wanting amplified, liking unchanged
Action	Dopamine path super-charged; pleasure flat
VIDEO PROMPT	Static. The gold path swells and brightens while the pleasure region stays the same soft size. 2s.

BEAT 87

"Those rats wanted desperately. They worked harder, pressed levers longer, pursued rewards more aggressively."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. A frantic wide-eyed rat hammering a lever with both paws, motion lines around it, an obsessive expression. Gold bursts firing rapidly above. Light gray background.
Camera	Medium shot
Lighting	Flat, rapid gold bursts
Mood	Desperate, frantic compulsion
Action	Rat hammering the lever furiously
VIDEO PROMPT	Static. The rat's paws pump the lever fast; gold bursts flash rapidly above. 2s loop.

BEAT 88

"But when they got what they were chasing, the satisfaction was flat."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The same rat finally holds the reward (a food pellet) but its expression is blank and unmoved; no warm glow, no smile. A small flat-line graph floats beside it labeled 'SATISFACTION.'
Camera	Medium shot
Lighting	Flat, neutral, no glow
Mood	Empty payoff
Action	Rat with reward but blank expression
VIDEO PROMPT	Static. The rat holds the pellet; the 'SATISFACTION' graph stays a dead flat line. 2s.

BEAT 89

"They wanted more without ever feeling more."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Split panel. Left 'WANTING': frantic rat at the lever with huge gold bursts. Right 'FEELING': same rat with the reward, flat expression, flat-line graph. Bold gap between them labeled 'NO BRIDGE.'
Camera	Wide split panel
Lighting	Flat — gold left, flat right
Mood	The broken link between want and reward
Action	Frantic wanting vs. empty feeling
VIDEO PROMPT	Static. Left side bursts gold rapidly; right side stays a flat line; the 'NO BRIDGE' gap holds. 3s.

BEAT 90

"Wanting and liking. Two completely separate systems in the brain."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up diagram of the brain split into two clearly separated, differently colored zones: gold 'WANTING' on one side, soft warm 'LIKING' on the other, a clean black divider between them. White background.
Camera	Close-up diagram
Lighting	Flat, white, gold vs. soft warm zones
Mood	Clean conceptual separation
Action	Two labeled brain systems side by side
VIDEO PROMPT	Static. Each zone lights in turn — gold 'WANTING', then soft 'LIKING' — across the divider. 3s.

BEAT 91

"And the one being monetized — every app, every algorithm, every push notification — is wanting."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The gold 'WANTING' brain zone wired to floating icons — app, algorithm chart, notification bell — all plugged into it by cables. The soft 'LIKING' zone sits unplugged and ignored. Cool blue-gray.
Camera	Medium shot
Lighting	Flat, blue-gray, gold wired zone
Mood	Only wanting is harvested
Action	Wanting zone cabled to platforms; liking ignored
VIDEO PROMPT	Static. The cables pulse gold from the icons into the 'WANTING' zone; 'LIKING' stays dark. 3s loop.

BEAT 92

"Not your happiness. Your hunger."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Stark close-up on white. Two words stacked: 'HAPPINESS' struck through in red, 'HUNGER' below it in bold gold. A small villain brain sits beside 'HUNGER', tapping it.
Camera	Close-up, centered
Lighting	Flat, white, red strike / gold word
Mood	Blunt final distinction
Action	Strike-through on 'HAPPINESS'; brain taps 'HUNGER'
VIDEO PROMPT	Static. The red strike crosses 'HAPPINESS'; the brain taps 'HUNGER' and it glows gold. 2s.

BEAT 93

"So what do you actually do with this?"

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, neutral gray background. The character faces camera directly, calm and serious, no villain glow — a genuine pause. A simple bold question mark floats beside their head.
Camera	Medium shot, direct address
Lighting	Flat, neutral gray
Mood	Pivot — the turn toward the solution
Action	Character meeting the viewer's eyes; '?' floating
VIDEO PROMPT	Static. The character holds a steady gaze; the question mark gently pulses once. 2s.

BEAT 94

"You cannot think your way out of a dopamine loop."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The small bespectacled 'prefrontal' figure inside the skull pushes uselessly against a giant spinning gold loop that dwarfs it; the villain brain rides the loop, amused.
Camera	Medium shot on skull interior
Lighting	Flat, gold spinning loop
Mood	Reason alone is overpowered
Action	Tiny rational figure shoving a giant loop in vain
VIDEO PROMPT	Static. The gold loop spins; the small figure strains against it and slides back. 2s loop.

BEAT 95

"You cannot reason past a system that was built by teams of neuroscientists and behavioral economists"

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide blue-gray war-room shot: rows of villain-brain experts in lab coats at terminals, a giant central screen modeling the character. One small lone 'prefrontal' figure stands before it all, tiny by comparison.
Camera	Wide establishing shot
Lighting	Flat, blue-gray, screen glow
Mood	Asymmetry of forces
Action	Vast expert team vs. one tiny rational figure
VIDEO PROMPT	Static. The terminal screens flicker with data; the lone figure looks up at the giant display. 3s.

BEAT 96

"and tested on hundreds of millions of users before it ever reached you. That's not a fair fight."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A massive grid of identical user silhouettes labeled 'TESTED ON: HUNDREDS OF MILLIONS' on one side; a single small character alone on the other, a lopsided scale tipping hard against them. Gray background.
Camera	Wide shot
Lighting	Flat, gray
Mood	Rigged from the start
Action	Lopsided scale; lone user vs. millions
VIDEO PROMPT	Static. The scale tips further down on the 'millions' side; the lone figure rises helplessly. 3s.

BEAT 97

"And anyone who tells you it comes down to willpower has never looked at what willpower actually is in the brain"

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up inside the skull: a small 'WILLPOWER' battery icon held by the prefrontal figure, already partly drained, with a red low-charge indicator. The villain brain eyes it hungrily.
Camera	Close-up on skull interior
Lighting	Flat, white, red low-battery indicator
Mood	Willpower as a finite resource
Action	Prefrontal figure holding a draining battery
VIDEO PROMPT	Static. The 'WILLPOWER' battery bar drops a notch; the red indicator blinks. 2s.

BEAT 98

"a limited resource that depletes across a day and fails under stress, which is exactly when the lever gets pressed hardest."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide split panel. Left 'NOT THIS': a small wilted figure labeled 'WEAKNESS' with a red X. Right 'THIS': the same character facing a large industrial machine labeled 'INFRASTRUCTURE', standing firm.
Camera	Wide split panel
Lighting	Flat, white
Mood	Reframe — the real opponent
Action	Weakness X-ed out vs. character facing the machine
VIDEO PROMPT	Static. The red X strikes 'WEAKNESS'; the character squares up to the 'INFRASTRUCTURE' machine. 2s.

BEAT 108

"And you fight infrastructure by redesigning the environment, not by trying to overpower it."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The character calmly rearranges large environmental blocks (labeled 'BANK', 'PHONE', 'CART') into a new safer layout — not straining, just designing. Clean white background, blueprint-style guide lines.
Camera	Medium shot
Lighting	Flat, white, faint blueprint lines
Mood	Design over force
Action	Character rearranging environment blocks
VIDEO PROMPT	Static. The character slides one labeled block into a new position; blueprint lines snap to it. 3s.

BEAT 109

"One participant in a behavioral savings study saved an additional \$14,000 over three years"

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The character closes a glowing banking app (X over a phone) and instead stands before a simple solid brick bank building with no screen anywhere. Calm, deliberate.
Camera	Medium shot
Lighting	Flat, neutral
Mood	One structural change, not willpower
Action	App closed; physical bank chosen
VIDEO PROMPT	Static. The phone's banking app winks out; the solid brick bank stands plainly behind her. 2s.

BEAT 111

"No instant transfers. If she wanted that money, she had to make a deliberate physical trip and wait."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of the brick bank's solid closed door with the savings safely behind it; a faint green glow inside. The character's hand hovers far away, then lowers, choosing not to. Calm resolution.
Camera	Close-up on bank door
Lighting	Flat, faint green glow within
Mood	Quiet, decisive restraint
Action	Hand hovering, then withdrawing
VIDEO PROMPT	Static. The distant hand lifts slightly, then lowers and relaxes; the door stays closed. 2s.

BEAT 113

"Not because she had more willpower than the person beside her. Because she built a better cage."

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide split panel. Left: a frantic figure mashing a lever in a bare cage (the rat-cage motif, human version). Right: the calm character inside a redesigned, open, well-built environment — same cage concept, better design.
Camera	Wide split panel
Lighting	Flat, white
Mood	Design beats willpower
Action	Bad cage vs. well-designed environment
VIDEO PROMPT	Static. Left figure keeps mashing the lever; right character stands calm in the better-built space. 3s.

BEAT 114

"The rats in Montreal pressed the lever until they died"

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, cold gray. A worn lever center frame, a small still rat collapsed beside it, the cage walls tight and bare. Somber, restrained.
Camera	Medium shot
Lighting	Flat, cold gray
Mood	Somber callback to the experiment
Action	Collapsed rat beside the worn lever
VIDEO PROMPT	Static. A faint dust settles around the still rat; nothing moves. 3s.

BEAT 115

"because the lever was the only thing in the cage and they had no ability to see the cage from the outside."

Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The main character stands at the cage bars and, unlike the rat, looks up and out — pulling one bar aside to reveal a bright open space beyond. Hopeful pivot. Warm light breaking in from outside.
Camera	Medium shot
Lighting	Flat, warm light breaking in
Mood	The turn — perspective the rat never had
Action	Character looking out, opening the cage
VIDEO PROMPT	Static. The character pulls a bar aside; warm light widens across their face. 2s.

BEAT 117

IMAGE PROMPT	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium close-up of the character, calm and a little tired but dignified; the brain inside the skull rendered neutral and unblamed, gently lit — not a villain here, just out of place. Warm soft background.
Camera	Medium close-up
Lighting	Flat, warm soft
Mood	Compassion — the brain is not the enemy
Action	Calm character; neutral, gently lit brain
VIDEO PROMPT	Static. The character exhales; the brain inside settles into a calm, neutral expression. 2s.

Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The character stands outside the cage now, calmly examining the lever in their hand like an object of study, the villain brain shrunk and quiet behind glass. Clear, composed. Neutral light background.
Camera	Medium shot
Lighting	Flat, neutral
Mood	Empowered perspective
Action	Character studying the lever from the outside
VIDEO PROMPT	Static. The character turns the lever over, examining it; the contained brain watches quietly. 3s.
