STATE 1 — IMAGE PROMPTS

3 Traps That Rewire Your Brain to Stay Broke

Full image prompt (style + scene) for each of the 145 beats. In 5 parts of 36 beats max.

IMAGE PROMPTS — PARTE 1 (Beats 1–36)

■■ HOOK ■■

BEAT 1 *"Alex checked his bank account on Friday."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot, warm desk interior. Alex sits at his desk, Friday evening. He holds his phone — screen shows bold green text: 'SALARY RECEIVED — 3,200.' His expression relaxes. The pink brain inside his skull perks up, smug.

BEAT 2 *"Three thousand two hundred arrived — same as last month."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of the phone screen. The number 3,200 is large, centered, green. A small bold label below: 'SAME AS LAST MONTH.' The brain inside Alex's skull crosses its arms contentedly.

BEAT 3 *"By Sunday, twelve hundred of it was already gone."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of same phone. Now Sunday 9pm. The balance reads 1,980. Bold text appears: 'SUNDAY 9PM.' Alex's expression shifts — not panicked, just confused. He's seen this before.

BEAT 4 *"Not on rent. Not on bills."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, white background. Two icons — a house (RENT) and a utility symbol (BILLS) — each crossed out with a bold red X. Label: 'NOT THESE.' Clean and declarative.

BEAT 5 *"On things his brain convinced him he deserved."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The Brain Villain stands in the lower-right corner of frame, arms crossed, satisfied expression. A thought bubble above Alex's head shows small icons: dinner plate, shopping bag, subscription logo. All mundane. All justified.

BEAT 6 *"Here's what nobody tells you about money problems:"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex turns partially toward camera. Expression shifts — from confused to direct. The brain inside his skull leans forward. Background fades to flat white.

BEAT 7 *"They're not math problems."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, white background. Bold text dominates the frame: 'NOT A MATH PROBLEM.' A small math equation ($3200 - 1200 = 2000$) sits below it, with a red X crossing it out. Not dismissed — just insufficient.

BEAT 8 *"Alex isn't bad at math. He knows the difference."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot of Alex at a whiteboard with simple arithmetic — correct, confident. Beside him, his brain gives a thumbs-up. The math is fine. That's not the issue.

BEAT 9 *"But his brain doesn't think in numbers. It thinks in feelings."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide split panel. Left: numbers and equations — cold blue tones, logical. Right: emotion icons (satisfaction, relief, desire) — warm amber tones, glowing. The brain character stands in the center, clearly on the right side.

BEAT 10 *"And every payday, it runs three very specific programs."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, white background. The Brain Villain stands center frame, holding up three fingers — deliberate, slow. Each finger glows as it rises: one, two, three. Expression: this is planned.

BEAT 11 *"Programs that were written before Alex had his first job."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, soft sepia tones. A young Alex silhouette stands in a childhood scene — simple house, small figure, early life suggestion. The three program icons float above him, already forming.

BEAT 12 *"Three traps — designed by millions of years of evolution —"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, timeline on white. A long horizontal evolutionary timeline: primitive figure on left, modern Alex on right. Three trap icons sit along the timeline, appearing early and persisting to the present.

BEAT 13 *"that activate the moment your paycheck hits."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of Alex's phone — salary notification. Three small trap icons light up simultaneously on the brain inside Alex's skull. Instant. Automatic. No delay.

BEAT 14 *"And by the time you realize they're running, the money is already gone."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, dark gray void. Alex holds an empty wallet open toward the camera. Brain Villain stands to the side, hands in pockets, casual. The traps already ran. Nothing to do now.

BEAT 15 *"We're going to show you all three."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex turns fully to camera. The Brain Villain behind him holds up three fingers again — but this time each finger is labeled: '1', '2', '3'. Expression: we're doing this deliberately.

BEAT 16 *"The third one is the one nobody suspects —"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Three trap-door icons in a row. The first two are visible, detailed. The third is locked — a padlock icon, face obscured. Label: 'TRAP 3: ???'

BEAT 17 *"because it's not what you spend. It's why you'll never stop."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, white background. Bold statement appears: 'NOT WHAT YOU SPEND. WHY YOU NEVER STOP.' A looping arrow icon — spending loop, no exit — sits beneath. The Brain Villain nods slowly.

■■ TRAP 1 — THE REWARD TRAP ■■

BEAT 18 *"Trap One."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Full-frame title card. Bold red background. White text: 'TRAP 1 — THE REWARD TRAP.' Clean, weighted. Holds.

BEAT 19 *"Alex calls it the Reward Trap —"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex at his Friday desk, tired but anticipating. The label 'REWARD TRAP' appears in small text in the corner — but Alex doesn't look at it. He doesn't know it has a name.

BEAT 20 *"though he doesn't call it anything, because he doesn't know it's a trap."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of Alex's face. Genuine unawareness — not stupid, just unaware. The Brain Villain behind him gives a small, slow nod. He counts on this.

BEAT 21 *"He worked hard this week. He knows it. His body knows it."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Alex walking out of an office building, Friday afternoon. Shoulders slightly forward. Jacket loosened. The week is over. The posture communicates it before any words do.

BEAT 22 *"By Friday afternoon, his back hurts, his focus is gone, and he's been patient."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex at his desk: one hand on lower back, other rubbing eyes. A calendar on the wall shows the week filled with tasks — all checked. He earned the right to feel this way.

BEAT 23 *"So when his phone shows the salary notification,"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of phone screen. Bold green notification: 'SALARY RECEIVED — 3,200.' The glow is warm. Everything shifts.

BEAT 24 *"his brain immediately asks one question."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of Alex's transparent skull. The brain inside snaps to attention — eyes wide, leaning forward, smug expression replaced by focused calculation. One question is forming.

BEAT 25 *"Not: how much do I need to save?"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, white background. A question appears: 'HOW MUCH DO I NEED TO SAVE?' Then a bold red X strikes through it. This question does not run.

BEAT 26 *"But: what do I deserve?"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, white background. A second question appears below: 'WHAT DO I DESERVE?' This one glows warm amber. No X. This is the question the brain runs.

BEAT 27 *"This isn't laziness. This is neuroscience."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex and Brain Villain side by side. A neuroscience icon — a stylized brain scan — floats between them. Label: 'THIS IS NEUROSCIENCE.' Not a character flaw. A mechanism.

BEAT 28 *"Wolfram Schultz — neuroscientist at Cambridge University —"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, research lab setting. A cartoon Schultz figure — white coat, focused expression, European academic energy — stands beside a brain scan lightboard. Bold label: 'WOLFRAM SCHULTZ · CAMBRIDGE.'

BEAT 29 *"won the Nobel Prize partly for discovering this:"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up. A flat Nobel medal icon glows gold. Beside it: 'NOBEL PRIZE IN PHYSIOLOGY OR MEDICINE.' Small but weighty. The science has been verified at the highest level.

BEAT 30 *"the brain releases dopamine not when the reward arrives, but when the reward is expected."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram on white. A horizontal timeline: EXPECTATION on the left, REWARD ARRIVES on the right. A bold green dopamine spike appears at EXPECTATION — before the reward. Label: 'DOPAMINE FIRES HERE.' At REWARD ARRIVES, the line is flat.

BEAT 31 *"Alex doesn't feel good because he got paid."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex holds his phone showing the salary notification. Expression: oddly flat. The feeling already came. This is just the confirmation.

BEAT 32 *"He feels good because his brain already spent the money in his imagination."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of Alex's thought bubble. Inside: a dinner table, a jacket, an upgraded subscription icon — all glowing. The money is already spent in the mind. The dopamine ran on the imagination, not the action.

BEAT 33 *"The reward center activated before a single euro left his account."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. Alex's brain with reward center highlighted in warm orange. An arrow: BEFORE SPENDING. The account balance is unchanged. The brain is already satisfied.

BEAT 34 *"The result? The eighty-five euro dinner."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of a restaurant receipt. Bold line: '85.00.' A small label: 'REWARD.' Not extravagant. Completely justified in the moment.

BEAT 35 *"The one-forty jacket. The streaming subscription upgraded just for this month."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, white background. Three items in a row: receipt (85), shopping bag tag (140), streaming logo with 'UPGRADED' label. All mundane. All justified. All adding up.

BEAT 36 *"Not luxuries — rewards. Small. Justified. Automatic."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. The three items from before, now with labels below each: 'SMALL.' 'JUSTIFIED.' 'AUTOMATIC.' The Brain Villain ticks them off on a notepad. Everything checks out.

PARTE 1 COMPLETA — Beats 1–36 ✓

IMAGE PROMPTS — PARTE 2 (Beats 37–72)

BEAT 37 *"The Brain Villain calculated perfectly:"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Brain Villain at a small desk, reviewing his notepad. Expression: professional satisfaction. Not evil — just accurate. He ran the numbers and they worked.

BEAT 38 *"rewards feel necessary, not optional."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. Two columns: 'NECESSARY' (solid, weighted, green border) vs 'OPTIONAL' (dashed, lighter, gray border). The reward icons all sit in the NECESSARY column. The label is the Brain Villain's verdict.

BEAT 39 *"Alex didn't overspend. His brain spent exactly what it felt it earned."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A balance scale. Left side: effort/hours worked that week. Right side: the reward purchases. They balance. The brain's accounting is internally consistent — and wrong for building wealth.

BEAT 40 *"And here's where Trap One gets expensive."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Brain Villain looks up from notepad. Smirks. Turns a page. The expensive part is just beginning.

BEAT 41 *"Professor Robert Frank — Cornell University, thirty years of research —"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, academic setting. A cartoon Frank figure — professorial, measured — stands before a graph spanning thirty years. Bold label: 'ROBERT FRANK · CORNELL · 30 YEARS.'

BEAT 42 *"documented what happens after every reward: hedonic adaptation."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. A simple line graph. After each reward event (marked with a small star), the baseline rises slightly. Never comes back down. Label appears: 'HEDONIC ADAPTATION.' The line only goes up.

BEAT 43 *"Every reward resets the baseline."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of the graph. A dashed horizontal line marks the 'BASELINE.' After a reward star, an arrow moves the baseline up. The new baseline is higher. Bold label: 'NEW BASELINE.'

BEAT 44 *"The eighty-five euro dinner becomes the new normal."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex at a restaurant. The 85-euro bill arrives. He barely looks at it. His expression: not pleasure, not regret — just normal. The dinner that was once a treat is now the floor.

BEAT 45 *"Next payday, eighty-five euros doesn't feel like a reward anymore."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex back at desk. Salary notification arrives. He does not think about the 85-euro dinner. The brain inside his skull barely registers it. Below the reward threshold now.

BEAT 46 *"It feels like the floor."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, white background. The 85-euro dinner icon now sits at the bottom of a stack — labeled 'FLOOR.' Above it, new reward levels are forming. The floor is higher than it was last month.

BEAT 47 *"Trap One doesn't cost you once. It raises the price every single month."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. A bar chart — monthly spending on rewards, growing steadily month over month. Not dramatic. Steady. Relentless. Label: 'COST: MONTHLY AND COMPOUNDING.'

BEAT 48 *"Trap One is the one Alex knows about, somewhere in the back of his mind."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of Alex's skull. The brain is there — and in a small, dim corner of it, a tiny awareness icon glows faintly. Alex knows, distantly. Not enough to act.

BEAT 49 *"Trap Two is the one he thinks he's beating."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex looks confident. A small Trap 2 icon is visible in the background — but Alex glances at it with satisfaction. He believes he's handling it. He's wrong.

■■■ CTA ■■■

BEAT 50 *"If your brain is doing this to you right now — subscribe."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex turns directly to camera. Calm, measured. Brain Villain freezes mid-action behind him — caught off guard by the direct address.

BEAT 51 *"We break down a new bias every week. It's free. And it might save you more than you think."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot continues. Alex finishes. Brain Villain rolls his eyes. Alex turns back to the story. Hard cut — momentum resumes immediately. Total CTA: 5 seconds.

■■ TRAP 2 — THE SAFE MONEY ILLUSION ■■

BEAT 52 *"Trap Two."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Full-frame title card. Bold red background. White text: 'TRAP 2 — THE SAFE MONEY ILLUSION.' Holds.

BEAT 53 *"Alex does something most people call responsible."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex at his laptop, expression of quiet pride. The word 'RESPONSIBLE' floats gently above him in warm gold. He has a system. He's proud of it.

BEAT 54 *"He keeps two thousand euros in a savings account."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of laptop screen. A savings account interface shows: 'BALANCE: 2,000.00.' Green border. A padlock icon beside it. Label: 'EMERGENCY FUND.'

BEAT 55 *"Emergency fund. He's proud of it. He calls it untouchable."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex taps the padlock icon with one finger. Expression: this is protected. The Brain Villain stands behind him, watching with interest — not alarm. Not yet.

BEAT 56 *"Meanwhile, he carries eighteen hundred euros in credit card debt."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of a second screen section. A credit card interface: 'BALANCE OWED: -1,800.00.' Red border. No padlock. No label. It just sits there.

BEAT 57 *"Annual interest rate: twenty-three percent."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up. A bold label appears over the credit card interface: '23% APR.' The Brain Villain looks at this number with appreciation. He didn't set it. He benefits from it.

BEAT 58 *"Alex is paying four hundred and fourteen euros a year in interest —"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram on white. A simple calculation: '1,800 x 0.23 = 414 / YEAR.' A bold red counter runs: '414 EUROS — INTEREST PAID PER YEAR.' Not dramatic. Just math.

BEAT 59 *"to protect money that earns thirty-two euros a year in savings."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. Below the interest calculation: a second line — '2,000 x 0.016 = 32 / YEAR' — pale green. The savings return. 32 vs 414. The diagram does the work.

BEAT 60 *"Net loss: three hundred and eighty-two euros. Every year."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A bold red box appears: 'NET LOSS: 382 / YEAR.' Below it, smaller: '...EVERY YEAR.' The Brain Villain circles this number on his notepad. He considers it a success.

BEAT 61 *"Not because Alex is bad at finance."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex reading a finance book — competent, attentive. He's not ignorant. The system isn't a result of ignorance.

BEAT 62 *"Because his brain refuses to see these as the same money."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Two money piles, same size. Between them: a wall, drawn by the Brain Villain. One pile labeled 'SAVINGS — UNTOUCHABLE.' Other pile labeled 'DEBT — MANAGEABLE.' Same amount. Completely separated.

BEAT 63 *"This is Mental Accounting."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Bold label on white: 'MENTAL ACCOUNTING.' Below it: a simple definition — 'Treating identical money differently based on its label.' Clean, academic, final.

BEAT 64 *"Richard Thaler — Nobel Prize in Economics, 2017, University of Chicago —"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, academic setting. A cartoon Thaler figure — warm expression, professional — stands before a University of Chicago backdrop. Bold label: 'RICHARD THALER · NOBEL 2017 · CHICAGO.'

BEAT 65 *"proved that humans don't treat money as money."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, white background. A large 'MONEY = MONEY' equation. A bold X strikes through the equals sign. Humans break this rule reflexively. Thaler proved it.

BEAT 66 *"We treat it as labeled categories."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. Money icons sorted into labeled boxes: 'SALARY,' 'TAX REFUND,' 'EMERGENCY FUND,' 'FOUND MONEY,' 'BONUS.' Each box treated differently. The money is identical. The labels change everything.

BEAT 67 *"Two thousand euros in an account called emergency"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of a green box labeled 'EMERGENCY.' Two thousand euros inside. A warm glow. A padlock. This money feels safe, protected, righteous.

BEAT 68 *"feels completely different from two thousand euros that could pay off debt."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of a red box labeled 'DEBT PAYMENT.' Two thousand euros inside — same amount. Cold light. No padlock. This money feels uncomfortable, aggressive, wrong.

BEAT 69 *"They are mathematically identical."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. The two boxes — green and red — placed side by side. Between them: a mathematical equals sign in bold black. The math says: same. The brain refuses.

BEAT 70 *"Psychologically, they live on different planets."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. The two boxes are now on separate planets — one green planet, one red planet. The equals sign is still there, floating in space between them. The math is unchanged. The experience is not.

BEAT 71 *"The Brain Villain loves this trap because it feels responsible."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Brain Villain standing before the green EMERGENCY box, arms crossed approvingly. Expression: genuine appreciation. This is the cleanest trap — it is disguised as a virtue.

BEAT 72 *"Alex is being careful with his emergency fund. He's being disciplined."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex with the same proud expression as before — padlock tapped, savings protected. All true. And all consistent with losing 382 euros a year.

PARTE 2 COMPLETA — Beats 37–72 ✓

IMAGE PROMPTS — PARTE 3 (Beats 73–108)

BEAT 73 *"He's paying three hundred and eighty-two euros a year for that discipline."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. The NET LOSS box returns: '382 / YEAR.' Beneath Alex's proud expression. He doesn't see the connection. The Brain Villain does.

BEAT 74 *"The trap doesn't feel like a trap."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The savings trap is dressed up — velvet rope around it, a small gold plaque: 'RESPONSIBLE BEHAVIOR.' It looks like a good thing. Because it is, in isolation.

BEAT 75 *"It feels like a virtue."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up. A small halo appears over the savings box. Golden. Glowing. The Brain Villain places it there carefully, like a prop.

BEAT 76 *"In the next video, we show why Alex's brain does the exact same trick with tax refunds —"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. A tax refund notification appears on Alex's phone. Brain Villain immediately lights up — same posture as with the salary notification. Same trap. Different trigger.

BEAT 77 *"and why that money disappears faster than any other money he earns."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A simple bar graph: salary money (slow spend), tax refund money (fast disappear). The tax refund bar drops fast. Same trap, stronger trigger.

BEAT 78 *"Same trap. Different label. Same result."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, white background. Three panels in a row: EMERGENCY FUND — MENTAL ACCOUNTING — DEBT. TAX REFUND — MENTAL ACCOUNTING — SPENT. Three columns, same middle box, same outcome.

BEAT 79 *"But before that — Trap Three."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Brain Villain turns away from the Mental Accounting boxes. His expression shifts — a flicker of something. Trap Three is the one he relies on most.

BEAT 80 *"The one that makes Trap One and Trap Two inevitable."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Trap 1 and Trap 2 icons visible — but now, beneath them, a larger foundation layer appears: TRAP 3. The gears preview: Trap 3 is the base. The others sit on top of it.

■■ TRAP 3 — THE FUTURE IS FAKE ■■

BEAT 81 *"Trap Three."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Full-frame title card. Bold deep red background. White text: 'TRAP 3 — THE FUTURE IS FAKE.' Larger than previous title cards. Held longer. More weight.

BEAT 82 *"This one is harder to see because it's not a spending habit."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, white background. Trap 1 and Trap 2 icons with visible dollar signs — spending visible. Trap 3 icon: no dollar sign. No spending symbol. Something else.

BEAT 83 *"It's a perception problem."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up. A simple perception diagram — the same object looking different from two distances. Label: 'PERCEPTION PROBLEM.' Clean, psychological, not financial.

BEAT 84 *"Ask Alex: would you rather have a hundred euros today,"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. An animated fork in a road. Left path labeled: '100 EUROS — TODAY.' Alex stands at the fork, looking left.

BEAT 85 *"or a hundred and ten in one week?"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot continues. Right path labeled: '110 EUROS — 1 WEEK.' Both options visible. The math: 10% in one week is exceptional. But Alex is already moving left.

BEAT 86 *"He takes the hundred. Almost everyone does."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Alex walks left. Bold label: 'ALMOST EVERYONE.' The road to 110 is empty. The math doesn't matter. The immediacy does.

BEAT 87 *"Now ask him: would you rather have a hundred euros in fifty-two weeks,"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. New fork. Same style — but now LEFT path: '100 EUROS — 52 WEEKS.' Distant. Hypothetical. Alex looks at it without urgency.

BEAT 88 *"or a hundred and ten in fifty-three weeks?"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot continues. RIGHT path: '110 EUROS — 53 WEEKS.' One extra week, one year from now. Alex considers.

BEAT 89 *"Same trade. One year later. He'll happily wait the extra week."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Alex walks right. Bold label: 'SAME TRADE.' Label below: 'DIFFERENT PSYCHOLOGY.' Same math. Opposite choice. The irrationality is structural.

BEAT 90 *"The math is identical. The psychology is completely different."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide split diagram. Left: the two trade comparisons side by side — mathematically identical (both = 10% gain, 1 week wait). Right: felt reality bars — first trade feels urgent, second feels neutral. Same math, opposite felt weight.

BEAT 91 *"David Laibson — behavioral economist at Harvard University —"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, Harvard setting. A cartoon Laibson figure — precise, academic, Harvard energy — stands before a behavioral economics diagram. Bold label: 'DAVID LAIBSON · HARVARD.'

BEAT 92 *"spent decades quantifying this pattern."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A research timeline behind Laibson — decades marked, data points accumulating. This wasn't a hunch. It was measured, repeatedly.

BEAT 93 *"He calls it hyperbolic discounting."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. A curve on white — not a straight line, but a hyperbola. Near-term rewards: massively overvalued (curve peaks steeply). Long-term rewards: barely valued (curve flat). Bold label: 'HYPERBOLIC DISCOUNTING.'

BEAT 94 *"The further something is in the future, the less real it feels."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Three identical objects at different distances. Near: crisp, solid, large. Mid: slightly faded. Far: barely visible, almost transparent. Label: 'DISTANCE = REALITY FADE.'

BEAT 95 *"Not less important. Less real."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Two panels. Left: 'LESS IMPORTANT? NO.' Right: 'LESS REAL? YES.' Brain Villain stands in the right panel, pointing. This is the distinction. The problem isn't priority. It's felt reality.

BEAT 96 *"Future Alex — the one who needs the retirement account,"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A second Alex character appears — slightly grayer, slightly older. This is Future Alex. He holds a retirement account document. Expression: he needs this. He's counting on Present Alex.

BEAT 97 *"the one who has to pay Future Alex's bills,"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Future Alex surrounded by bills — rent, health, basics. He's holding them. They're real. Present Alex doesn't feel the weight of them.

BEAT 98 *"the one living the consequences of Present Alex's choices —"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A chain of consequence: Present Alex's small decisions (dinner, upgrade, delay) → chain of arrows → Future Alex receiving each consequence. The chain is visible. The distance makes it abstract.

BEAT 99 *"doesn't feel like Alex. He feels like a stranger."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Present Alex and Future Alex face each other across a gap. Present Alex looks at Future Alex: polite, distant, unrecognizing. Future Alex looks back: desperate, familiar.

BEAT 100 *"And we don't sacrifice for strangers."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, white background. A bold statement: 'WE DON'T SACRIFICE FOR STRANGERS.' Present Alex turns away from Future Alex. Not maliciously. Just... Future Alex isn't real enough to sacrifice for.

BEAT 101 *"So Present Alex makes decisions that make perfect sense right now."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Present Alex — confident, justified, internally consistent. Every choice he makes is rational in the present moment. The trap is not irrationality. It's a different time horizon.

BEAT 102 *"Eighty-five euro dinner? He deserves it. That's Trap One."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The dinner receipt appears. Trap 1 icon connects to it with an arrow. The operating system (Present Bias) enables Trap 1 to run.

BEAT 103 *"Keep the savings, carry the debt? That's responsible. That's Trap Two."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. The two account boxes from before. Trap 2 icon connects. Present Bias tells Alex: Future Alex will sort the debt. So the mental accounting stays.

BEAT 104 *"Start saving next month? Future Alex will be disciplined."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. A calendar. The current month's savings column: empty. Alex flips to next month. That month's column: also empty. He flips again. Same.

BEAT 105 *"Future Alex is always about to be disciplined."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Future Alex waves from the distance — cheerful, optimistic. He's always just about to arrive. But the distance never closes. The discipline never begins.

BEAT 106 *"Present Bias is the operating system."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. A flat OS boot screen: 'PRESENT BIAS — OPERATING SYSTEM v∞.' Boot complete. Below it: two app icons — REWARD TRAP and MENTAL ACCOUNTING — starting up.

BEAT 107 *"Trap One and Trap Two are the applications running on top of it."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. The OS diagram: PRESENT BIAS as base. REWARD TRAP and MENTAL ACCOUNTING as app windows open above. The apps depend on the OS. Kill the OS — the apps have no foundation.

BEAT 108 *"A 2024 study in the Journal of Behavioral Decision Making"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A journal cover — flat, academic, credible. 'JOURNAL OF BEHAVIORAL DECISION MAKING · 2024.' Label and year prominent.

PARTE 3 COMPLETA — Beats 73–108 ✓

IMAGE PROMPTS — PARTE 4 (Beats 109–144)

BEAT 109 *"tracked fourteen thousand participants."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A grid of small human icons: 14,000 arranged in rows. Scale visible. This is not a small study.

BEAT 110 *"People who could mentally picture their future self as the same person"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Two Alex figures — Present and Future — but now they overlap, merge slightly. They share the same face. Same posture. The gap closes. Future Alex is Alex.

BEAT 111 *"made twenty-three percent better financial decisions"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. A comparison bar: CONTROL GROUP vs FUTURE SELF GROUP. The future-self group bar is 23% taller. Bold label: '+23% BETTER DECISIONS.' One change. No apps, no advisors.

BEAT 112 *"without any other intervention."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, white background. A clean panel: 'NO BUDGETING APP. NO ADVISOR. NO PRODUCT.' Just one change in perception. Label: 'ZERO ADDITIONAL INTERVENTION.'

BEAT 113 *"Not a budgeting app. Not a financial advisor."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Two icons: a budgeting app logo and a financial advisor figure. Both crossed out with bold X marks. Not required. Not the intervention.

BEAT 114 *"Just the ability to see Future Alex as Alex."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Present Alex and Future Alex stand side by side — same height, same appearance, same expression. They are the same person. The gap is gone. The distance is gone.

■■ SYSTEM CLOSE ■■

BEAT 115 *"Here's what makes these three traps expensive: they don't work separately."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Three gear icons — REWARD TRAP, MENTAL ACCOUNTING, PRESENT BIAS — floating unconnected. Then they move toward each other and lock together. The system forms.

BEAT 116 *"The Reward Trap fires on Friday."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Gear 1 (REWARD TRAP) spins. Alex's phone notification visible. Trap 1 engages automatically.

BEAT 117 *"Present Bias tells Alex that Future Alex will compensate."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Gear 3 (PRESENT BIAS) connects to Gear 1 — enabling it. The operating system gives Trap 1 permission. Future Alex will handle it. Present Alex spends.

BEAT 118 *"Mental Accounting keeps the debt and savings in separate boxes —"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Gear 2 (MENTAL ACCOUNTING) spins — keeping the two boxes separated. The wall is maintained. The damage stays invisible.

BEAT 119 *"so the damage never looks total."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. All three gears spinning. A hidden damage counter runs in the background — but it's behind the wall. The separation keeps the total invisible. Alex cannot see the full picture.

BEAT 120 *"Remove any one gear, and the other two lose power."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. One gear removed. The other two slow — lose coordination, lose the system's effectiveness. The gears need each other.

BEAT 121 *"Let all three run together, and they form a system that scales with income."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Gears reconnect. An income counter rises: 30K, 50K, 100K, 150K. The system percentage consumed stays constant. More income, same percentage gone. The system scales.

BEAT 122 *"Researchers at Princeton — Daniel Kahneman and Angus Deaton, 2010 —"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, academic setting. Two cartoon figures — Kahneman and Deaton — in a Princeton research environment. Bold label: 'KAHNEMAN + DEATON · PRINCETON · 2010.'

BEAT 123 *"found that above a certain income level, additional earnings have almost no effect"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. An income vs behavior-change line graph. Below threshold: behavior changes with income. Above threshold: the line flattens. More income, same behavior. The system adapts.

BEAT 124 *"on day-to-day financial behavior."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of the flat section of the graph. Label: 'BEHAVIOR UNCHANGED.' The income is higher. The system percentage stays the same. The trap consumes proportionally.

BEAT 125 *"Because behavioral traps consume the same percentage of income regardless of salary."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. A simple pie chart. One slice labeled 'BEHAVIORAL TRAPS.' The slice stays the same size as the total pie grows: 30K, 50K, 100K. Same percentage. Bigger numbers. Same slice.

BEAT 126 *"Alex could earn fifty thousand or a hundred and fifty thousand."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Two versions of Alex: one with '50K/YEAR' label, one with '150K/YEAR' label. Same character. Same Brain Villain beside each. Same trap gears running.

BEAT 127 *"The system adjusts. The percentage stays roughly the same."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide diagram. Two rows: 50K pie with trap slice, 150K pie with trap slice. Both trap slices: same angle, same percentage. Bigger pie. Same slice. The system is proportional.

BEAT 128 *"This isn't about how much he earns. It's about what the system does with it."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Income arrow entering the three-gear system from the left. The gears process it. Output: same percentage consumed, regardless of input amount. Label: 'INPUT IRRELEVANT. SYSTEM DECIDES.'

■■ IDENTITY CLOSE + GUIDE ■■

BEAT 129 *"Alex isn't bad with money."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex, calm. Direct. The three gears still visible in the background — but he's looking at them now. Not trapped. Aware. Not self-blaming.

BEAT 130 *"He's someone whose brain was trained to protect him."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A timeline — ancient environment on left, modern Alex on right. The three trap programs appear on the timeline early — they've been running since before modern money existed.

BEAT 131 *"The Reward Trap kept his ancestors motivated to hunt."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Ancestor figure — simple, cave-context. A reward signal fires from the chest after a successful hunt. The dopamine reward was functional: effort → reward → survival.

BEAT 132 *"Mental Accounting helped them separate food from poison."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Ancestor figure with two piles: safe food (green, labeled SAFE) and poison (red, labeled DANGER). Mental accounting was survival — categorization was life or death.

BEAT 133 *"Present Bias kept them alive by prioritizing real, immediate threats over hypothetical future ones."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Ancestor figure facing an immediate predator — threat right now. In the background, a vague future threat (drought, winter). Present Bias: handle the predator. Not wrong for the context.

BEAT 134 *"The programs are not broken."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot, white background. The three trap gears — but now labeled differently: MOTIVATION, CATEGORIZATION, IMMEDIATE RESPONSE. The original functions. Bold label: 'NOT BROKEN — CONTEXTUALLY MISAPPLIED.'

BEAT 135 *"They are perfectly designed for an environment that no longer exists."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Split: LEFT — ancient environment where the programs fit. RIGHT — modern financial world where they misfire. The programs are the same. The environment is different. Arrow: 'MISMATCH.'

BEAT 136 *"Knowing the three traps doesn't make them disappear."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex looks at the three trap gears. He can see them clearly now. They're still spinning. Awareness doesn't stop them — but the relationship to them changes.

BEAT 137 *"The Brain Villain doesn't retire when you name him."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Brain Villain is named — a nameplate appears: 'BRAIN VILLAIN.' He looks at it. Shrugs. Still here. Still doing the job. But something has shifted in the dynamic.

BEAT 138 *"But it changes something fundamental:"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Alex and Brain Villain — same frame, but Alex's posture is different now. He's watching the Brain Villain, not being led by him. The dynamic has shifted. The gears are visible to both.

BEAT 139 *"you stop blaming yourself for a system you didn't design."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex. A weight lifts — not dramatically, but visibly. Expression: not relief exactly. More like clarity. The self-blame was always the wrong frame. The system was running before he arrived.

BEAT 140 *"And that's the first condition for changing it."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A single step on a staircase — the first one. Label: 'STEP 1: STOP BLAMING THE WRONG THING.' Above it, more steps — unlabeled, ahead. This is where the change begins.

BEAT 141 *"The next step isn't a budget."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A budget spreadsheet icon — crossed out with a bold X. Not wrong. Just not the right first step. The system doesn't break with a spreadsheet.

BEAT 142 *"It's one decision that interrupts all three traps at the same time."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A single key icon. Below it: three lock icons — one for each trap. The key fits all three. Label: 'ONE DECISION. THREE LOCKS.' End screen card begins to appear in corner.

BEAT 143 *"Watch the next video — it shows exactly what that decision is,"*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Medium shot. Alex directly to camera. End screen card now fully visible. Expression: composed, direct. He's done the work. The next step exists.

BEAT 144 *"and why most people never make it."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. A crowd of small character icons — most walking past the key. A few stopping. The key is available. Most don't stop. The curiosity gap: why?

PARTE 4 COMPLETA — Beats 109–144 ✓

IMAGE PROMPTS — PARTE 5 (Beats 145–145)

BEAT 145 *"One decision. Three traps. The math might surprise you."*

Image Prompt: 2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character ALEX: large beige oval head with transparent glass upper skull revealing a pink cartoon brain inside, small black dot eyes, thin neutral mouth, black spiky hair, red t-shirt, gray pants. Brain villain: pink cartoon brain character, smug heavy-lidded eyes, slight smirk, small teeth. Palette: beige skin, pink brain (#E8A598), red t-shirt, gray pants, green for savings/gains, red for debt/loss/danger, white for diagram/infographic scenes, warm beige interiors with soft oval ceiling spotlight, dark charcoal (#1A1A1A) for hook/void scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Wide shot. Three trap gear icons. One key. A small calculator icon. Expression from Brain Villain: a small, reluctant nod. Even he respects the next move. Music fades.

PARTE 5 COMPLETA — Beats 145–145 ✓
