■■ HOOK ■■							
1	You did everything right.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Character stands tall in an office, chest out, holding a payslip with a large green number circled. Soft warm ceiling spotlight on him. Confident posture.	Medium shot, slightly low angle — heroic framing	Warm amber office, soft oval ceiling spotlight	Pride, earned confidence	Standing straight, slight smile, payslip in one hand	Slow push in toward character
2	You worked hard. You got the raise. Maybe you got the promotion.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Boss (older character, suit, glasses) extends hand with an envelope toward character. Both smiling. Office background with framed certificates on wall.	Medium wide, two-shot at handshake	Warm office light, spotlight on envelope	Achievement, institutional warmth	Character receiving envelope with both hands	Gentle drift right as envelope changes hands

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
3	For about two weeks — maybe three — it felt like something had finally changed.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Character floats slightly above ground, small golden stars orbiting his head. Payslip visible in hand glowing softly green. Pure warm interior background.	Medium shot, centered	Bright celebratory warm light	Brief euphoria, weightlessness	Arms slightly raised, eyes closed in satisfaction	Stars sparkle in, character bounces gently once
4	That specific relief. The sense that the number on your payslip matched the life you were supposed to have.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up on payslip held in both hands. Large green number circled. Diegetic label beside it: 'FINALLY.' Character's thumbs visible gripping edges.	Close-up on payslip, hands framing	Warm backlight on paper, slight glow on number	Relief, arrival, deserved rest	Hands grip payslip gently, slight tremor of emotion	Very slow zoom into circled number
5	And then it faded.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Same character now at home desk. Same payslip visible but no longer glowing. Face has returned to flat neutral. Small calendar on wall shows '3 WEEKS LATER.'	Medium shot, slightly above — deflation angle	Cooler, dimmer — same room feels different	Quiet deflation, unexplained flatness	Sitting, staring forward, shoulders slightly dropped	Color temperature cools slightly across frame

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
6	Not the money. The money was still there.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Over-shoulder view of phone showing bank app with healthy green balance number. Character holds phone, face expressionless. Money is present but empty.	Over-shoulder, phone in focus	Cool blue phone glow, dim room behind	Hollow, confusing disconnect	Scrolling slowly, no reaction to the number	Slow zoom out from phone screen to reveal flat expression
7	But the feeling was gone. And you were back — stretched, anxious, never quite enough.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Character at cluttered desk surrounded by floating bill envelopes labeled 'RENT,' 'CAR PAYMENT,' 'SUBSCRIPTIONS.' Slightly hunched. Dark gray tone creeping in from edges.	Wide shot showing full environment of pressure	Darker, gray tones bleeding in from edges	Familiar dread, deja vu of old anxiety	Head in hands, papers scattered	Slow pan across scattered bills left to right
8	This is not a personal failure.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Large bold diegetic text label appears: 'NOT YOUR FAULT.' Character looks up at it, head tilting with curiosity. Plain white background — clean informational beat.	Medium, character looking up at text	Neutral bright white — informational	Shift from shame to curiosity	Head tilts up, slight question mark expression	Text pops in with bounce, character reacts

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
9	It is a mechanism. And the people who profit from it are hoping you never find its name.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Brain villain (pink brain, navy t-shirt, smug heavy-lidded eyes) slides in from right edge behind character, holding a small gear labeled 'THE MECHANISM.' He looks directly at viewer. Character unaware.	Medium wide — character foreground, villain emerging behind	Villain has subtle red backlight; character in warm light	Conspiracy revealed, ominous introduction	Brain villain steps into frame, taps gear knowingly	Villain slides in from right with eerie smoothness
■■ THE RAISE ■■							
10	His name doesn't matter. He is every version of you that has ever gotten what you worked for.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. New character introduced: generic everyman — beige head, black hair, dark blue t-shirt, gray pants. Standing in void with label 'AGE 24' above him. Simple, clean.	Medium shot, centered	Neutral warm light, soft spotlight	Universal, relatable introduction	Standing neutrally, arms at sides	Character fades in from white

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
11	Twenty-four years old. First real job. The salary felt enormous.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Character at entry-level office desk. Small plant, basic computer. Payslip on desk with modest number but character looking at it with wide eyes — enormous to him.	Medium wide — character at desk	Warm office light, ceiling spotlight	Wonder at first real income	Leaning forward over payslip, eyes wide	Slow zoom in on his face
12	He upgraded his apartment. It made sense — he could afford it now.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Two apartments side by side. Left: tiny studio, box labeled 'BEFORE.' Right: slightly larger flat, label 'UPGRADE #1.' Arrow pointing right. Character moves from left to right.	Wide comparison shot	Neutral informational light	Logical, justified choice	Character walks from left apartment to right	Arrow animates left to right
13	He upgraded his car. It made sense — he was making more.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Two cars side by side: old small beaten-up car labeled 'BEFORE,' newer shinier car labeled 'UPGRADE #2.' Character standing between them nodding.	Wide comparison, street setting	Bright daylight, clean	Rational upgrade, self-reward	Nodding at new car, old car behind	New car gleams with a brief shine effect

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
14	At twenty-eight, he got a promotion. Forty percent more than when he started.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Same character now slightly older (label 'AGE 28'). Boss hands him new payslip. A large '+40%' floats above in green. Confetti pops briefly.	Medium two-shot, office	Celebratory warm light	Achievement, momentum	Character holds payslip, small proud smile	'+40%' pops in with bounce, confetti burst
15	He moved to a better neighbourhood. Better restaurants. Better clothes.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Triptych panel: left — nicer apartment exterior. Center — upscale restaurant with character dining. Right — character in smarter clothes. Labels: 'NEW FLAT,' 'FINE DINING,' 'NEW WARDROBE.'	Wide triptych, three panels	Warm lifestyle lighting across all three	Upward mobility, natural progression	Character present in each panel	Panels slide in left to right
16	At thirty-two, he was earning three times what he earned at twenty-four.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Bar chart: two bars. Left 'AGE 24' short bar. Right 'AGE 32' tall bar — three times height — bright green. Label 'x3' between them with arrow.	Wide infographic, white background	Clean informational light	Impressive growth, visual impact	Character stands next to tall bar, looking up at it	Tall bar grows upward from short bar

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
17	He was also, quietly, more anxious about money than he had ever been in his life.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Same character — 'AGE 32' label. Despite the tall income bar visible in background, character sits hunched at desk, hands clasped. Small sweat drop. Anxiety cloud above head.	Medium shot, character in focus, chart blurred behind	Dimmer foreground despite bright chart behind	Quiet contradiction — success and dread coexist	Hunched posture, clasped hands, unfocused gaze	Anxiety cloud pulses gently above
18	His lifestyle had grown to match every raise, every time, without a single conscious decision.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Staircase graphic: each step labeled with a raise year ('AGE 24,' '26,' '28,' '32'). On each step stands the character's lifestyle icon (apartment, car, clothes). Character climbs but the floor keeps rising too.	Wide staircase diagram	Neutral diagram lighting	Automatic, unconscious escalation	Character climbing but never gaining height	Steps rise automatically as character climbs
19	He was further from savings than he had been at twenty-four.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Two piggy banks side by side: 'AGE 24' piggy bank has a coin inside. 'AGE 32' piggy bank is cracked and empty despite big income bar beside it. Red X over savings.	Wide comparison, white background	Stark lighting, red X glows slightly	Paradox, shock	Character looks at empty piggy bank, baffled	Crack appears on AGE 32 piggy bank

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
20	He could not explain it. The numbers said he should be fine.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Character holding a spreadsheet that shows green income numbers. But his face shows confusion, eyebrows raised. A calculator beside him shows question marks instead of answers.	Medium, character with spreadsheet	Warm light but uneasy	Cognitive dissonance	Holding spreadsheet up, head tilting	Calculator question marks flash softly
21	The numbers were not the problem.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Close-up of spreadsheet: all numbers look correct in green. But a brain villain hand reaches in and taps the paper knowingly. Small label appears: 'WRONG QUESTION.'	Close-up, villain hand entering from right	Slightly ominous — villain light from right	Reframe, the real issue is elsewhere	Villain finger taps spreadsheet twice	Label 'WRONG QUESTION' fades in on paper

■■ THE MECHANISM ■■

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
22	Here is what was happening inside his brain.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Cross-section diagram of character's head. Transparent skull shows pink brain inside, now displayed as an anatomy diagram with arrow pointing inward. Clean white background.	Medium close-up, head cross-section	Clinical white with warm pink brain highlight	Transition to explanation mode	Character head tilted, brain diagram glowing	Diagram lines draw in from center
23	The human brain does not measure wealth in absolute terms.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Brain villain on white background holding a ruler. He tries to measure a stack of coins with the ruler — but shakes his head. Label: 'NOT ABSOLUTE.' Red X over ruler.	Medium, white background, villain with ruler	Clean informational white	Counterintuitive insight	Villain shakes head, tosses ruler aside	Ruler bounces off, red X appears
24	It measures wealth relative to a reference point.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Horizontal scale/balance. Left side: character's current income. Right side: label 'REFERENCE POINT' with an arrow. The balance tips based on the reference point, not absolute amount.	Wide balance diagram, white background	Clean, neutral informational	Relative measurement concept	Balance tips left and right as reference point moves	Scale tips with smooth motion

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
25	That reference point is not fixed. It moves.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Same balance diagram. The 'REFERENCE POINT' anchor on the right starts sliding to the right along a rail. The scale tips further. Label: 'MOVING TARGET.'	Wide, same balance from prev beat	Same clean light	The trap revealed	Brain villain pushes reference point further right	Reference point slides right with a mechanical sound effect implied
26	Every time your circumstances improve, your brain recalibrates what normal feels like.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Dial/gauge labeled 'NORMAL METER.' Arrow points to a position. As a small upgrade icon appears (new apartment), the dial arrow automatically shifts right to higher position. Recalibration animation.	Close-up on dial, neutral background	Neutral white, dial highlighted	Automatic recalibration — no choice involved	Brain villain's hand turns dial up automatically	Dial arrow moves right as upgrade appears
27	The new apartment becomes the baseline. The new salary becomes the floor.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Two-panel split: left — 'NEW APARTMENT' icon with label 'NOW = NORMAL.' Right — payslip with new salary, label 'NOW = MINIMUM.' Old versions crossed out with red X.	Wide split panel, white background	Clean informational	The baseline shift crystallized	Character stands between panels, nodding resignedly	Red X stamps appear on old versions

28	This is called hedonic adaptation.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Large clean bold diegetic label: 'HEDONIC ADAPTATION.' Below it, a simple icon: treadmill with character running, staying in place. Plain white background.	Wide, centered on label	Clean white, label prominent	Conceptual anchor — naming the mechanism	Character points at label from below	Label appears with a clean type-on effect
29	It is not a flaw in your psychology. It is a feature.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Checkmark icon next to the brain diagram. Label reads: 'DESIGN FEATURE — NOT BUG.' Green checkmark. Brain villain looks offended at the framing.	Medium, centered, white background	Green accent on checkmark	Reframe — evolutionary origin	Brain villain crosses arms, mildly offended	Checkmark draws in with a bounce
30	For most of human history, this mechanism kept us alive.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Prehistoric setting: caveman version of character with spear, cave background. After catching food, he looks satisfied briefly, then immediately scans horizon for threats. Alert posture.	Wide, cave environment	Warm firelight from left	Evolutionary survival context	Brief satisfaction, then immediate vigilance	Camera pans from food kill to scanning horizon

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
31	When conditions improved, the brain stopped celebrating and started preparing for the next threat.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Same caveman character: small celebration icon (thumbs up) immediately crossed out, replaced by eyes-scanning icon. Arrow: 'CELEBRATION → SCAN.' Brain visible in transparent skull shifting gears.	Medium, caveman character	Warm cave light	Rapid transition from relief to vigilance	Brief thumbs up then immediately scanning mode	Quick cut-style transition between poses
32	The problem is that it was never designed for a world where conditions can keep improving indefinitely.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Modern cityscape with ascending escalator going endlessly upward. Caveman brain character at the bottom looking up confused — this landscape has no ceiling. Label: 'INFINITE UPGRADES.'	Wide, city skyline, escalator prominent	Modern bright city light	Design mismatch — ancient tool, modern trap	Caveman brain looks up at endless escalator, baffled	Escalator extends beyond top of frame
33	In that world, the adaptation never stops.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Infinity symbol made of the recalibration dial arrows, cycling endlessly. Brain villain sits in the center of the infinity loop, relaxed, feet up. Label: '∞ RESET.'	Wide, centered on infinity loop	Cool blue-gray — endless, mechanical	The loop with no exit	Brain villain lounges in center, unbothered	Infinity loop spins slowly, continuously

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
34	And neither does the feeling that you need just a little more.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Horizon line. A 'FINISH LINE' banner on it. Character running toward it. As he gets close, brain villain in background pulls the finish line further away on a rope. Label: 'JUST A LITTLE MORE →'	Wide, horizon perspective	Warm but slightly hopeless light	The perpetual chase	Character runs, finish line retreats	Finish line pulled away as character approaches
■■ THE TREADMILL ■■							
35	There is a name for what he was running on.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Treadmill machine appears center frame, clean white background. Diegetic label tag hanging from it, still blank. Character stands beside it looking at it.	Medium wide, treadmill centered	Clean neutral white	Anticipation — naming moment	Character examines treadmill curiously	Treadmill fades in from white

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
36	The hedonic treadmill.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Same treadmill, now with bold label 'THE HEDONIC TREADMILL' stamped across the side. Brain villain stands beside it proudly, one hand on it like a salesman. Clean white background.	Medium wide, villain and treadmill	Spotlight on treadmill and label	Dramatic reveal, villain ownership	Brain villain pats treadmill with pride	Label stamps on with impact
37	You run. The belt moves. You stay in exactly the same place.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Character running on treadmill, legs moving fast. Through a window behind the treadmill: the scenery is static, not moving. Character sweating slightly. No progress.	Medium — character on treadmill	Warm effort lighting, slight sweat sheen	Futility, effort without progress	Running at full effort, zero forward movement	Legs animate, background stays frozen
38	Every raise, every upgrade — the belt adjusts to match your speed.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Treadmill belt with speed dial. As character gets a small 'RAISE +' badge, brain villain turns up the belt speed dial. Character must run faster just to stay in place.	Medium — treadmill speed dial prominent	Slightly adversarial lighting — villain controls	The rigged machine	Brain villain turning speed dial higher with each raise	Speed dial rotates, belt accelerates

■■ THE DIDEROT EFFECT ■■							
44	In the eighteenth century, the French philosopher Denis Diderot received a gift: a beautiful scarlet robe.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. 18th century French study setting. Diderot character (period clothing — but drawn in same cartoon style) holds up a vivid red/scarlet robe. Eyes wide with delight. Warm candlelight.	Medium, Diderot holding robe up	Warm candlelight, robe glows red	Delight, gift received	Holding robe up admiringly, slight smile	Robe shimmers softly in candlelight
45	He loved it.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Diderot character wearing the scarlet robe, arms wide, spinning slowly in center of his study. Stars of satisfaction orbiting. Warm study interior.	Medium, full character in robe	Warm golden glow surrounding him	Pure satisfaction	Spinning arms-wide, beaming	Stars orbit in a slow circle

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
46	He put it on and immediately noticed that everything else in his study looked shabby by comparison.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Same study interior. Diderot in scarlet robe looks around. Everything else (chair, desk, curtains, art) now has a gray tint and small 'OLD/SHABBY' labels appearing on each item.	Wide — full study visible	Robe stays vivid red, everything else grays out	Contrast triggered, gap appears	Eyes moving around room, face shifting from joy to dissatisfaction	Gray desaturation spreads from edges inward
47	So he replaced his chair. Then his desk. Then the curtains. Then the art on the walls.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Quick replacement sequence: four panels showing each item being swapped out — old chair → new chair, old desk → new desk, etc. Green checkmarks on new items, red X on old.	Triptych/quad panels	Each new item slightly brighter	The cascade begins	Diderot pointing and directing replacements	Items swap out in rapid sequence left to right
48	By the end, he had renovated the entire room — and gone into debt doing it.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Beautiful renovated study. Diderot sits in it looking pleased — but beside him is a massive DEBT scroll/bill unrolling to the floor. Small worried sweat drop.	Medium wide — beautiful room + debt scroll	Beautiful warm room light vs red debt scroll	Achievement and consequence together	Seated in beautiful room, but holding huge bill	Debt scroll unrolls dramatically downward

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
49	He wrote about it himself. He called it a spiral he could not explain.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Diderot at desk writing with a quill. A spiral illustration appears on his parchment. He looks up at it, shakes his head slightly. Candlelight.	Medium, writing scene	Warm candlelight	Honest self-observation	Writing intently, pausing to look at spiral	Quill traces spiral on parchment
50	The name came later: the Diderot Effect.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Parchment becomes modern whiteboard. The spiral icon redrawn cleanly. Bold label: 'THE DIDEROT EFFECT.' Arrow showing: one new thing → cascade of replacements.	Wide — whiteboard presentation style	Clean white, label highlighted in red	Naming moment — knowledge solidified	Character points at label from side	Label appears with sharp impact
51	One upgrade makes everything adjacent to it feel inadequate.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. New shiny car parked in front of an old garage. The car gleams; the garage visibly looks dingy and old by comparison. Arrow between them: 'MAKES THIS → LOOK LIKE THIS.'	Wide, car and garage side by side	Car in bright spotlight, garage in shadow	Contrast is automatic, involuntary	Character stands between them, seeing both	Garage darkens slightly as car gleams

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
52	The new car makes the old garage unbearable. The new apartment makes the old furniture look wrong.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Split screen: left — new car next to old garage (labeled 'UNBEARABLE'). Right — new apartment with old worn furniture (labeled 'LOOKS WRONG'). Both have dissatisfied character.	Wide split, two scenes	New items bright, old items gray	The cascade is everywhere	Character in both scenes grimacing at old items	Old items pulse gray to emphasize inadequacy
53	The raise that was supposed to create breathing room instead creates a new set of gaps to fill.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Character holds a raise payslip, looks relieved — 'BREATHING ROOM' label appears. But immediately, gap icons (small chasms) appear around him labeled 'NEW GAP 1,' 'NEW GAP 2,' etc.	Medium wide — character and gaps	Brief warm relief light, then shadows appear	The trap of the raise	Relief → immediately surrounded by gaps	Gap labels pop in around character quickly
54	Your consumption does not grow in line with your income.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Two line graphs: blue line 'INCOME' rising steadily. Red line 'CONSUMPTION' rising faster, already above income line. Both labeled clearly.	Wide line graph, white background	Blue and red lines contrast clearly	The divergence	Brain villain traces the red line with satisfaction	Red line draws ahead of blue, widening gap

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
55	It grows in cascades.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Waterfall/cascade diagram: one upgrade at top cascades down into 5–6 smaller upgrade icons below it. Each one triggers more. Label: 'THE DIDEROT CASCADE.' Brain villain at top pushing first domino.	Wide cascade diagram	Neutral white, cascade highlighted	The multiplier effect	Brain villain flicks first upgrade into cascade	Cascade falls downward in sequence
■■ THE INDUSTRY ■■							
56	None of this is accidental.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Factory exterior: large industrial building labeled 'THE RESET FACTORY.' Smoke from chimneys shaped like currency symbols. Brain villain stands at entrance in factory manager hard hat.	Wide, factory exterior	Industrial gray, villain in spotlight at entrance	Conspiracy reveal — systemic not personal	Brain villain adjusts hard hat, nods at factory	Camera slowly pulls back to reveal full factory scale

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
57	The consumer economy is calibrated to the reset.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Inside the factory: conveyor belt producing 'RESET' boxes. Workers (generic characters) packaging them efficiently. Brain villain oversees from elevated platform.	Wide interior, conveyor belt visible	Industrial lighting, brain villain elevated	Systemic production of the mechanism	Brain villain surveys factory floor with satisfaction	Conveyor belt moves steadily left to right
58	It does not sell you things you need. It sells you the next version of your baseline.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Store shelf. Left side: items labeled 'WHAT YOU NEED' — plain, functional, unsold. Right side: items labeled 'YOUR NEW BASELINE' — shiny, aspirational, flying off shelves.	Wide store shelf, two sections	Left section dimly lit, right section bright spotlight	The real product being sold	Character reaches for right section automatically	Right section items glow as hand reaches for them
59	Planned obsolescence ensures that what you own today feels inadequate within two years.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Phone on table. Calendar pages flip: TODAY — phone looks fine. 6 MONTHS — slight gray tinge. 2 YEARS — phone looks ancient, red 'OUTDATED' stamp appears. New model glows behind it.	Wide, phone and calendar side by side	Phone ages and dims as time passes	Engineered inadequacy — time-stamped	Character watching phone age, looking increasingly dissatisfied	Calendar pages flip, phone grays out progressively

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
60	The subscription economy charges you monthly so each payment feels too small to cancel — while the total cost stays invisible.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Character's phone showing many subscription logos (generic icons). Each shows a small monthly amount (€9, €12, €8). Below them, a total adds up to a large annual sum — but character only sees the small numbers.	Medium close-up, phone subscription list	Phone glow, each payment feels small	Death by a thousand small cuts	Character glances at small numbers, shrugs each time	Annual total appears at bottom, large and red
61	Consumer credit exists to close the gap between what you earn and what the reset tells you that you should have.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Gap diagram: income line lower, reset/lifestyle line higher. Between them: a bridge made of credit cards spanning the gap. Label: 'CONSUMER CREDIT — THE BRIDGE.'	Wide gap diagram with credit card bridge	Green income, red lifestyle, credit bridge in between	Credit as the mechanism's enabler	Brain villain builds the bridge from below, satisfied	Bridge assembles itself from credit cards

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
62	The average household carries credit card debt not because of emergencies.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Average house exterior, label 'AVERAGE HOUSEHOLD.' Credit card emerging from mailbox with a debt amount on it. No emergency icon — just the regular lifestyle.	Medium wide, house and mailbox	Ordinary suburban lighting	Normalised debt	Character collects credit bill from mailbox, unsurprised	Bill slides out of mailbox slowly
63	Because the lifestyle expanded before the income did.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Timeline bar: LIFESTYLE bar shoots up early. INCOME bar follows behind, never quite catching up. Gap between them labeled 'DEBT.' Brain villain drew the lifestyle bar first.	Wide timeline bar chart	Lifestyle bar red, income bar green	The sequence that creates the trap	Brain villain points at the gap proudly	Lifestyle bar shoots up ahead of income
64	Your bank does not want you to be financially free.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Large cartoon bank building with smiling face on its facade. Inside: stacks of money. Outside: character looking at bank, small chained wallet around his wrist. Bank facade smile is slightly sinister.	Wide, bank facade + character	Bank bright and welcoming; chain on wallet visible	The bank's incentive revealed	Character looks at bank, then at chained wallet	Chain on wallet clinks subtly

65	Financial freedom means you stop borrowing.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Character cutting a credit card in half with scissors. Chain around wallet falls off. Label: 'FINANCIAL FREEDOM.' Bank building in background — lights going out one by one as character cuts card.	Medium — character cutting card	Bright on character, bank dims behind	The bank's fear	Scissors cut through card decisively	Bank lights flicker out as card is cut
66	The product they are selling is the gap between your income and your reset.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Product box on store shelf: label reads 'THE GAP™' — brain villain's logo on it. Gap diagram printed on the box. Price tag shows 'INTEREST RATE %.'	Medium — product box in foreground	Retail spotlight on product box	The actual product named and boxed	Brain villain holds up the box like a salesman	Camera zooms in on 'THE GAP™' label
67	The wider the gap, the more interest you pay.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Gap diagram again — but now the gap is shown as a jar filling with red liquid labeled 'INTEREST.' The wider the gap arrow, the more the jar fills. Brain villain pours more in.	Wide diagram, jar prominent	Red interest liquid fills ominously	The cost of the mechanism made visible	Brain villain pours interest into widening gap	Jar fills as gap widens

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
68	The treadmill is not a metaphor. It is a business model.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Treadmill with 'BUSINESS MODEL' label replacing 'THE HEDONIC TREADMILL.' Brain villain stands next to it holding a pie chart showing his profits. Character still running on it.	Medium wide — treadmill and villain	Business-like cold lighting	The coldest truth of the video	Villain holds up profit chart while character runs	Label on treadmill swaps from metaphor to business model
■■ THE POPULAR MISREADING ■■							
69	Everyone who understands this arrives at the same conclusion.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Multiple generic characters in a row, each with a thought bubble. All thought bubbles show identical lightbulb icon. Label above: 'EVERYONE THINKS THE SAME THING.'	Wide — row of characters	Neutral white, identical thought bubbles	Universal misreading setup	All characters nod simultaneously	Thought bubbles pop in one by one, all identical

70	The solution is discipline. Willpower. Spend less.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Same characters from prev beat — now each holds a 'WILLPOWER' dumbbell and a 'DISCIPLINE' planner. Looking determined. Label: 'JUST TRY HARDER.'	Wide — same characters with new items	Motivational bright light	The intuitive but wrong answer	Characters flex willpower dumbbells	Dumbbells appear in hands with a 'clang'
71	That is not what happens.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Large red X stamped over the willpower dumbbell and discipline planner. Characters deflate. Brain villain in corner shaking head slowly — not gloating, just knowing.	Wide — X stamp over previous scene	Red X dominates frame	Deflation of the obvious answer	Characters droop, dumbbells fall	Red X slams down with impact
72	Willpower is a finite resource. It depletes.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Willpower meter (like a phone battery). Starts full green. Throughout the day (morning → afternoon → evening timeline), it drains: 60%, 40%, 10%, then red and empty.	Wide — battery meter and day timeline	Battery drains from green to red	The depletion is measurable, inevitable	Character gets progressively more tired as battery drains	Battery depletes in stages

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
73	A strategy that requires you to constantly resist your own baseline fails the moment your attention is elsewhere.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Character trying to hold back a wall of baseline lifestyle items (car, apartment, phone, clothes) with both hands — straining. One moment distracted (looking left) and the wall breaks through.	Wide — character vs wall of upgrades	Strain lighting — effort visible	The inevitable failure of resistance	Character strains to hold back wall, then looks away briefly	Wall bursts through when character looks away
74	The people who escape the treadmill do not do it by spending less through force.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Two characters: LEFT — straining against lifestyle wall (struggling, failing). RIGHT — standing calm beside a treadmill that is not running. Right character looks peaceful, not straining.	Wide comparison — two characters	Left: strain lighting. Right: peaceful warm light	The contrast between the two approaches	Left character strains; right character stands at ease	Right character's treadmill is visibly switched off
75	They do it by changing what their brain registers as the reference point.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Brain villain's recalibration dial from earlier — but now a different character (calm one from prev beat) is turning it manually, deliberately setting it LOWER. Label: 'CHOOSE YOUR BASELINE.'	Medium close-up — dial being turned	Calm purposeful light	Agency — the dial can be set intentionally	Calm character turns dial to lower position deliberately	Dial turns with a satisfying click implied

76	Not by earning more.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Income arrow pointing upward — but a red X through it labeled 'NOT THE ANSWER.' Character looks at upward arrow, shakes head.	Medium — arrow with X	Neutral white, X prominent	Counterintuitive — earning more is not the fix	Character shakes head at income arrow	X slides over income arrow
77	By deciding — in advance, automatically — what the baseline will not include.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Contract-style document: 'MY BASELINE AGREEMENT.' Character signing it. Key line visible: 'THE FOLLOWING ARE NOT INCLUDED IN MY NORMAL.' List below: luxury items, latest phone, etc. Peaceful expression.	Medium — character signing document	Warm purposeful light	Agency and automation — the actual solution	Character signs with a deliberate pen stroke	Signature completes with a satisfying flourish

■■ THE REAL CONCLUSION ■■

#	SEGMENT (NARRATION)	IMAGE PROMPT	CAMERA	LIGHTING	MOOD / TONE	CHARACTER ACTION	VIDEO MOTION
78	In 1974, the economist Richard Easterlin published a finding that became one of the most discussed in his field.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Book cover: 'EASTERLIN 1974' with a simple graph on the cover showing the paradox. Historical academic setting but clean cartoon style. Character holds the book open.	Medium — character with book	Neutral academic light	Credibility anchor	Character opens book, looks at graph inside	Book opens with a page-turn effect
79	Across countries, across income levels, across decades — beyond a certain threshold, more money does not produce more wellbeing.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. World map with income-vs-happiness data overlaid: rising income bars (green) across multiple countries, but happiness lines (yellow) flatline above a threshold. Bold label: 'BEYOND THIS POINT →'	Wide world map infographic	Clean informational, world map prominent	Global scale of the finding	Character traces the flatline with one finger	Flatline draws across map after income bars rise
80	Countries that had grown significantly richer over thirty years showed no significant increase in reported happiness.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Two-line chart: 'GDP PER CAPITA' line climbs steeply over 30 years (green). 'REPORTED HAPPINESS' line stays flat (yellow). Both clearly labeled. Time axis: '1960 → 1990.'	Wide line chart, white background	Green climbs, yellow stays flat	The paradox in data	Brain villain looks at flat yellow line, satisfied	Green line climbs while yellow holds flat

81	He called it the Easterlin Paradox.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Bold diegetic label: 'THE EASTERLIN PARADOX.' Below it: the two-line chart (one up, one flat). Clean white background. Character points at label.	Wide, label centered	Clean white, label in red	Naming moment	Character points at paradox label	Label appears with a sharp stamp effect
82	The paradox is only a paradox if you believe money accumulates into wellbeing.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Money pile on left side of scale. Wellbeing/happiness icon (sun) on right side. Money pile grows — but happiness side doesn't move. Arrow showing: 'MONEY ≠ WELLBEING.'	Wide balance scale	Neutral white, scale prominent	The false assumption exposed	Character adds money to scale, checks happiness side — nothing moves	Happiness side stays still despite money piling on
83	It does not. It accumulates into baseline.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Same scale. Money now pouring into a 'BASELINE' bucket instead of the happiness side. Bucket labeled 'BASELINE' fills up. The happiness icon gets nothing.	Wide — scale with baseline bucket	Neutral, slight red on baseline bucket	The actual accumulation target revealed	Brain villain redirects money from happiness to baseline bucket	Money stream reroutes with a satisfying redirect

84	Enough is not a number.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Giant digital number display — cycling through amounts (\$10k, \$50k, \$200k, \$1M). Question mark at the end. Character watches numbers cycle, looking unsatisfied at each.	Wide — large number display	Numbers glow but feel cold	Numbers cannot define enough	Character shakes head at each number	Numbers cycle rapidly, then land on '?'
85	Enough is a decision.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Number display replaced by a single word: 'ENOUGH.' Below it, a contract being signed by the character. Calm warm lighting. No more cycling — stillness.	Medium — character signing	Warm calm light — stillness	Agency — the actual answer	Character signs with calm deliberation	'ENOUGH' appears in large clean letters
86	The people who feel rich are not the ones with the most money.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Two characters side by side: LEFT — wealthy character (mansion, cars, label '\$\$\$\$\$') but looking stressed, anxious. RIGHT — modest character (small house, label '\$\$') but smiling, relaxed.	Wide comparison	Left: cold wealth light. Right: warm content light	The inversion of the assumption	Left character counts money anxiously; right stands peacefully	Contrast between the two is the entire frame

89	Here is what you do with this.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Character stands center, rolled-up sleeves, determined expression. Clean white background. Label above: 'EL MOVIMIENTO.' Five action icons arranged in a row below him.	Medium, centered, white background	Bright purposeful light	Transition to agency — empowerment	Character rolls up sleeves, ready	Five action icons slide in below
90	Automate ten percent of every payslip before it hits your account. Your baseline never sees it.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Payslip arriving. Automated arrow splits it: 90% → current account (labeled 'BASELINE SEES THIS'), 10% → savings vault (labeled 'BASELINE NEVER SEES THIS'). Clean diagram.	Wide split-flow diagram	Green savings flow prominent	Simple automated action	Character watches automation work without doing anything	Arrow splits payslip automatically
91	Next raise: freeze your lifestyle for one year. Bank the entire difference.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Raise arrives ('+15%' badge). Character's lifestyle items (apartment, car) shown with a 'FROZEN' ice block over them — unchanged. Difference arrow points straight to savings vault.	Wide — raise badge, frozen lifestyle, savings	Cool ice-blue on frozen items	The raise intercepted before the treadmill speeds up	Character holds raise badge, points to savings, not upgrades	Ice block appears over lifestyle with a freeze effect

96	Your brain will always recalibrate.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Brain villain inside the transparent skull — still adjusting the baseline dial. Can't be removed. Character looks at his own head with the brain doing its thing. Calm acceptance.	Medium close — character's head, brain visible	Warm neutral light	The mechanism is permanent but manageable	Character observes brain recalibrating, not fighting it	Baseline dial moves slightly, character unbothered
97	But you can stop funding the next version of the baseline with money that should be building your future.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Money flow diagram: before — all money going to 'NEXT BASELINE' upgrade icons. After — money split: some to baseline, larger portion going to 'YOUR FUTURE' vault. Character controls the valve.	Wide flow diagram — before and after	Future vault glows warm gold	The controllable choice	Character turns valve — more money flows to future	Valve turns, flow shifts toward future vault
98	The treadmill runs whether you fight it or not.	2D flat cartoon illustration, thick solid black outlines on every element, clean solid color fills, no gradients except soft warm ambient light. Recurring main character: large beige oval head with a transparent glass upper skull revealing a pink cartoon brain inside; small black dot eyes, thin neutral mouth, black spiky hair, muted blue t-shirt, gray pants. The brain is an expressive character with a smug villain default expression (heavy-lidded eyes, slight smirk, small teeth). Palette: beige skin, black hair, muted blue shirt, gray pants, pink brain (#E8A598), green dollar bills, red for X-marks and danger, white for diagram/infographic scenes, warm beige interiors with a soft oval ceiling spotlight, dark gray for void/loss scenes. Bold black diegetic text labels integrated into the scene. 16:9, 1280x720. Treadmill running in background. Character in foreground facing viewer, arms crossed, calm. Not fighting the treadmill. Not on it. Just aware of it. Slight knowing expression.	Medium — character foreground, treadmill background	Character in warm light, treadmill in background	Calm awareness replaces resistance	Arms crossed, calm expression, not engaging with treadmill	Slow zoom out reveals character's full composure
